Rocky River Public School

Project update | September 2026

Image caption: Students eagerly watching the construction progress on Building A.

Dear staff, parents, carers and neighbours,

Investing in our schools

As part of the NSW Government's plan to rebuild public education, the NSW Budget is delivering $2.3 billion for new and upgraded schools in regional NSW. This targeted investment will ensure growing communities get access to a world class public education.

Project overview

We are providing an update, following our previous project update issued in June 2026 on the Building A replacement project at Rocky River Public School.

We recognise that Building A is part of the school's history and appreciate the importance of this project, we will continue to keep you updated and informed as it progresses.

Progress summary

The project is continuing well. Pouring of the concrete slab floor is expected to begin this week, and construction of the building frame is expected to start the week commencing Monday 14 September 2026.

The new boundary fencing will start in mid-September 2026 and is being constructed around the back and side of the school grounds.

Next steps

Construction works will continue with work hours scheduled between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines.

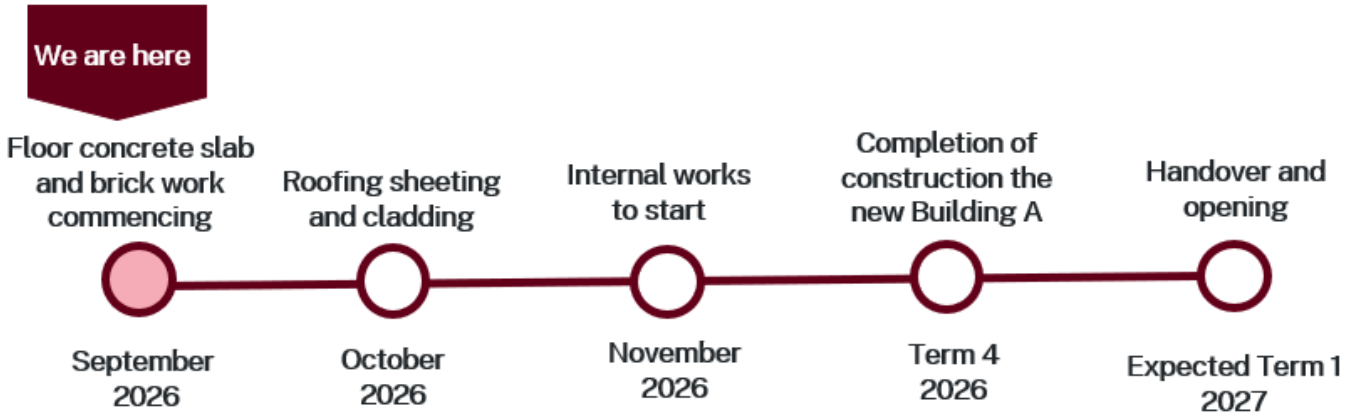
NSW GOVERNMENT

Timeline



Please note that these dates are indicative and may be subject to change.

Managing construction impacts

The safety of the local community is our highest priority. For more information about how the department manages construction impacts please visit our webpage at edu.nsw.link/ConstructionImpacts.

There will be increased construction activity on Thunderbolts Way during the construction works.

Tree replacement planting

Tree replacement planting is scheduled to take place towards the end of the year, possibly in early December. Further information, including scheduled dates and details of the works, will be shared with the school community closer to planting dates.

More information

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

If you have any questions about this project, you can contact School Infrastructure during business hours on the contact details below. Please note our community phone and email are staffed Monday to Friday, 9 am to 5 pm.

We will keep the community updated.

Thank you for your understanding and support during this important work.

Rocky River Public School Kindergarten 2027 Transition Program

The kindergarten 2027 Transition Program kicks off in Term 4 2026! We are so excited to welcome our newly enrolled students beginning in 2027.

For all enquiries, please contact Rocky River Public School on (02) 6778 4122.
