

Glenwood High School

Summer holidays works notification | 16 December 2022

A project is underway to upgrade Glenwood High School to provide improved education facilities and support the growing student community. The upgraded high school will deliver a new 3 storey building with 47 learning spaces, a new performance pavilion, refurbish Building E, Building J and the ground floor of Building A.

Main works during the summer holidays

Main construction works will continue at Glenwood High School during the summer holidays. Works include:

- putting in in-ground services
- pouring the ground floor concrete slab for the new three-storey building
- erecting structural steel framing for the new performing arts building.

Work hours

Work hours will be 7am to 6pm Monday to Friday, and 8am to 1pm Saturday. No work will take place on Sundays or public holidays unless otherwise notified.

If you have any queries or concerns about this project you can contact School Infrastructure NSW during business hours on 1300 482 651. School Infrastructure NSW will be closed from 5pm Friday 23 December 2022 to 9am Monday 9 January 2023, inclusive, in line with the NSW Government shut down period. During this time, if there is an urgent issue please contact the site manager listed on the construction site entry. In an emergency, please call triple zero (000).

The health, safety, and wellbeing of the school and the local community are our highest priority, and we will continue to keep the community updated.

Thank you for your patience while we deliver this important school infrastructure.
