Progress is underway to relocate The Forest High School to 187 Allambie Road, Allambie Heights.

Site establishment

Site establishment activities to prepare for main construction works will start from Monday 20 November 2023.

Works will include:

For site establishment activities, the access to the site will be mainly through Gate 1 on Allambie Road. A map of the construction site with the access points is shown overleaf.

The Construction Traffic Management Plan for the main works component of the project is in the process of being finalised. This will be available on the Department of Planning's Planning Portal website at <https://www.planningportal.nsw.gov.au/major-projects/projects/new-forest-high-school> before main works start.

Hours of work

Site establishment works will take place between the hours of:

- 7 am and 6 pm Monday to Fridays,
- 8 am and 1 pm Saturday,
- with no work on public holidays or Sundays unless otherwise notified.

We are here to make sure that the works are completed safely and efficiently with minimal impact on the community. The health, safety and well being of the local community is our highest priority and we will continue to keep the community updated.

Further notification will be provided to the community before main works construction begins.

Thank you for your patience whilst we deliver this important school infrastructure.
