## School holiday works notification – Autumn | 2025

Dear staff, parents and carers,

The school holidays are the ideal time to complete maintenance and project work across the state without disrupting learning.

This notification is to let you know about work taking place at your school during the Autumn School Holidays.

This period may include from the end of the school day on Friday 11 April up to Day 1 Term 2 (Wednesday 30 April).

Planned work may involve:

- large scale building remediation
- scheduled maintenance and repairs
- working with hazardous materials such as asbestos or lead

For more information, search for your school on our [school holidays webpage](#).

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation as we completed this important work.
