

# Smart Energy Schools

Pilot Project

**60 schools**  
participating in NSW

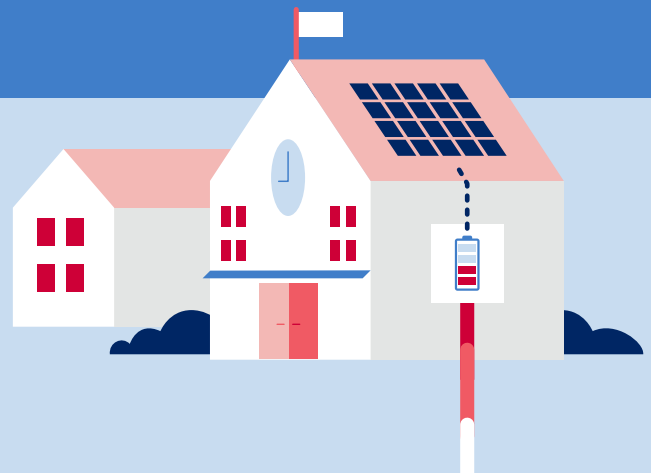

**4,600**  
solar panels

Generating  
**2.5 gigawatt**  
hours solar energy a year

**3,200 kilowatt**

hours of battery energy  
storage a year

**\$554,000**  
of potential annual  
cost savings

**1,670**  
tonnes CO<sub>2</sub>  
annual savings
