

# Round 2 Sustainable Schools Grants recipients

School	Project Name
Ajuga School SSP	Lil Ecological Leaders
Albury High School	We Want To Grow Plants
Albury Public School	Building Community Support for our Student Environment Club
Aldavilla Primary School	Water Worx
Asquith Girls High School	Growing for Our Future
Ballina Coast High School	Sustainable Sensory Garden
Ballina Public School	A Greener School for Ballina
Balranald Central School	The Learning River - Yaka Tematha Kengatha
Banks Public School	Becoming Waste Wise
Bankstown Girls' High School	The Beehive Classroom Sustainable Garden
Banora Point High School	A Special Garden: Food Waste to Green Space
Bathurst West Public School	Sustainable Kitchen Garden
Bellevue Hill Public School	The Full Cycle
Beresford Road Public School	Beresford Road Public School Learn to Live and Grow Project
Berridale Public School	A community working together: Overcoming tree die back at Berridale
Binya Public School	Learning about true sustainability in our community
Blacktown Boys High School	The Journey to Fork
Blacktown North Public School	Composting Made Easy
Bogan Gate Public School	Bogan Gate Water Warriors
Bourke Public School	Sensory and Cultural Garden
Bowraville Central School	The Great Green Wall
Brisbania Public School	Bush Tucker and Biodiversity at Brisbania
Brungle Public School	Resourceful Relationships at Brungle Public School
Burrumbuttock Public School	Burrumbuttock, biodiversity and our bush tucker garden
Cambridge Park Public School	Sustainable Kitchen Garden Program
Camden Haven High School	Seeding the Future
Cammeray Public School	Sustainable Garden and Waste Reduction Project
Candelo Public School	Gardening for a Sustainable Future
Carenne School	Accessible Kitchen Garden
Cargo Public School	Waste Reduction Project
Carlton Public School	The Sustainable Veggie House
Casuarina School	Growing Further
Cessnock West Public School REAL APPLICATION	Outdoor Education Spaces
Chatham High School	Sustainable bush tucker and herb garden
Chester Hill North Public School	Creating an Environmentally Friendly Garden Bed

School	Project Name
Concord High School	Sustainable Kitchen Garden
Concord Public School	Concord Public School Food Garden
Condell Park High School	Green Force
Condell Park Public School	Bulbuwul Bush Tucker Garden
Connells Point Public School	Waste Warriors
Cooranbong Public School	CPS Green Growers
Corowa Public School	Worms, Waste, Water and Wicking
Corrimal High School	Sustainable practices: Eco Hub
Culcairn Public School	Culcairn Energy Savers
Cumnock Public School	Cumnock Garden Co-op
Dapto High School	Yuannga 'Path' - Small bird habitat/Corridor
Darlington Point Public School	Darlington Point Energy Savers
Deniliquin High School	Sustainability 2.1
Deniliquin North Public School	Cultural and Environmental Sustainability Through An Outdoors Learning & Meeting Space
Dorrroughby Environmental Education Centre	Pocket Big Scrub Forest Project
Duranbah Public School	Conserve 2 Preserve
Eden Marine High School	Kitchen & Bush Tucker Garden with Rainwater Harvesting System
Edgeworth Heights Public School	A Mindful Sensory Labyrinth
Edward Public School	Environmental Stewardship of our Lagoon
Elanora Heights Public School	The Bush Tracks
Elderslie High School	Water Saving Vegetable Production
Elizabeth Macarthur High School	Lizzy Mac Food Bowl
Emu Plains Public School	Sensory Garden and Sustainability Project
Endeavour Sports High School	Endeavour Community Garden
Erina High School	Erina Sustainable Living
Ermington Public School	Wallumai Nanga Mai Project (Snapper Dreaming Project)
Ettalong Public School	Native Cultural Garden
Eugowra Public School	Peck, Play & Preserve
Eureka Public School	Eureka ReForesters
Fairy Meadow Demonstration School	Bringing the classroom to the Meadow
Field of Mars Environmental Education Centre	Aquatic Learning Space
Franklin Public School	Energy Experts at Franklin Public School
Georges Hall Public School	Georges River Catchment Water Quality Citizen Science Project
Glen Innes High School	"Growing Together" Indigenous Edible Kitchen Garden
Glenroy Public School	Glenroy Public School Well-being Garden (Stage 2- Local Indigenous Garden)

School	Project Name
Goolma Public	Who Eats the Habitat?
Gooloogong Public School	Yarning circle project
Grafton High School	Year 12 Green Space
Gravesend Public School	Community Garden and Kitchen Expansion, Bush Tucker
Greenwich Public School	Sustainable Future Project
Gundagai Public School	Gundagai Garden Growers
Hamilton Public School	Blue gate garden
Harwood Island Public School	HIPS Sensory Garden
Hay Public School	Waterwise at Hay Public School
Heathcote High School	Aquaponics
Hérons Creek Public School	Reduce Reuse Recycle
Homebush Boys High School	HBHS EnviroMen Reduce, Reuse & Recycle Project
Hunters Hill High School	Connect and Sustain
Hurlstone Agricultural High	ENVIRO - Sustainable Schools Grant (Waste Disposal)
Huskisson Public School	The Outdoor Classroom
Illabo Public School	Caring for our Environment at IPS
Ingleburn Public School	Sustainable Kitchen Garden
James Cook Boys' Technology High School	James Cook Ever Green 2021 and beyond Project
John Palmer Public School	Jinnawi (for me for you) Indigenous Garden
Junee High School	Tree Lot, Drought Proofing and fence rehabilitation
Kahibah Public School	Kahibah School Community Garden
Keiraville Public School	Bee Curious
Killara Public School	Waste Busters Environment Club: waste reduction through composting and worm farming
Kings Langley Public School	KLPS Sustainability Project
Kurmond Public School	Kurmond's War on Waste!
Kurrajong North Public School	Wellbeing through connection and sustainability
Ladysmith Public School	Sustainable Farms, Sustainable Students
Lake Illawarra High School	Gardening / Eco-Sport
Lambton High School	Farm Your Food (Sustainable Garden)
Lavington Public School	Paddock to Lunchbox – A whole school approach to reducing waste in our school and community
Lismore South Public School	Living Things
Liverpool Public School	Liverpool Public School Georges River Catchment Water Quality Citizen Science Project.
Lockhart Central School	FOGO and Beyond
Lowesdale Public School	Joining Forces for Sustainable Farming
Macquarie Fields High School	Macquarie Fields High School Upper Georges River Catchment platypus citizen science project

School	Project Name
Maroubra Bay Public School	Water Wise Warriors
Maroubra Junction Public School	Connection to Land
Marulan Public School	Growing together. Sustainability in School.
Mascot Public School	Native Beehives
Menai Public School	Watching the World Go Round - Community Garden & Waste Reduction
Merewether High School	MHS Native Nursery & Bush Tucker Garden
Metella Road Public School	MRPS Chooks, Cooks and Produce
Mimosa Public School	No Planet B
Miranda North Public School	War on Waste
Moama Public School	Our Biodiversity Sustainability Action Plan
Model Farms High School	Water Me Down
Moorland Public School	Sustainable savings
Morpeth Public School	Operation Sustain and Maintain
Mosman High School	LEAF IT TO ME
Mount Warrigal Public School/Pre-school	Bee-ing Green
Mowbray Public School	Native Bush Tucker Garden
Murrumbidgee Regional High School - Griffith Site	Bust the Dust Sustainable Native Corridor
Narooma High School	Bagan Project (Yuin Dhurga Language for - "Ground Project")
Newrybar Public School	Improving Resource Efficiency - Water Saving Plan
Newtown High School of the Performing Arts	NHSPA Urban Food Forest
Norfolk Island Central School	Little Isle of Big Change
Orama Public School	Our River Our Future
Oxley Park Public School	LEAPscape to Learn Sensory Garden
Padstow Park Public School	Native gardens and outdoor learning space
Palinyewah Public School	Reduce, Re-use and Recycle at Palinyewah
Pennant Hills High School	Growing Hydroponically
Pennant Hills Public School	Native Nibbles - Edible Garden
Penrith South Public School	Chickens In Our School
Picnic Point Public School	Minimbah - A sustainable place for learning
Pitt Town Public School	Pitt Town Public School's Sustainability Project
Pomona Public School	Sustainable Food and Fibre at Pomona Public School
Pooncarie Public School	The story about understorey at Pooncarie
Punchbowl Public School	Greening Our Punchbowl Life
Quirindi Public School	QPS Eco Rangers
Rand Public School	Rand becomes recyclable and reusable aware
Randwick Public School	Recycle Smart

School	Project Name
Red Hill Environmental Education Centre	Central Western Eco-Schools in Action Project
Red Hill Public School	Eco Kids
Repton Public School	Garden Gurus
Rosemeadow Public School	Rosie's recycled garden classroom
Rumbalara Environmental Education Centre	BrightSparks
Russell Vale Public School	Russell Vale Permaculture Garden
Sandon Public School	Talking Trash
Sandy Beach Public School	Bush Tucker Garden and Yarning circle; Cooking learning space
Seaforth Public School	For The Sea For The Future - a new waste initiative for Seaforth Public School
South Coogee Public School	South Coogee's Green Stepping Stones
Southern Cross School of Distance Education	Aboriginal & Alternate Learning - Community Welcome Garden
Spring Farm Public School	Sustainable Spring Farm
Springwood High School NSW	Dtiatti Dreaming Circle
Sutton Public School	Mindfulness and Melaleucas
Sylvania High School	'Sustainability' to the power of 2
Tarcutta Public School	Sustainable School, Sustainable Farms
Tarro Public School	Beekeeping increase pollinators
Tathra Public School	Tathra Public School: Growing Hub
Terranora Public School	Deranora Bugal Bush Garden
Terrigal Public School	The Green Scene
The Rivers Secondary College - Richmond River High Campus	Sustainable Farming in the 21st Century
The Rock Central School	Little Steps Reducing "The Rocks" Carbon Footprint
Tuggerah Lakes Secondary Campus Berkeley Vale Campus	BVC Food Oasis
Ulong Public School	Don't Worry Bee Happy
Urana Public School	Joining Forces for Sustainable Farming
Uranquinty PS	Energy Warriors
Verona School	Sustainable Sensory Garden
Wadalba Community School	Wadalba Wildlife Warriors
Walbundrie Public School	Students to Sustainable farmers
Walla Walla Public School	Walla Walla Wildlife
Wambangalang Environmental Education Centre	Googar Berm Garden
Warialda High School	Place of Wild Honey Water Sustainable Garden
Warrawong Intensive English Centre/ Warrawong High School	Propagating Seeds of Change/Sustainability Hothouse
Wentworth Public School	Biodiversity Conservation at Wentworth

School	Project Name
Wideview Public School	STEM Garden
Wiley Park Girls High School	Student Garden of Reflection
Willoughby Public School	Willoughby Waste Warriors
Windsor High School	Aquaponics Awareness
Winmalee Public School	Bush Tucker and Community Garden
Wiripaang Public School	Bee Real About Sustainability
Wollongong High School of the Performing Arts	Don't Waste It
Woodport Public School	Woodport's Waste Busters
Woolomin Public School	Woolomin Waste to Waist Warriors
Woy Woy Public School (inc. Guliyali Pre-School).	Woy Woy Public School Sustainable Aquaponics Project
Yarrawarra Public School	YPS Eco Warriors
Young Public School	Native nursery for local habitat
