Notification of second tower crane delivery

Dear Neighbour,

Please be advised that on Saturday 19th October 2019, between 6.00am and 6.00pm (weather dependent), Titan Cranes Pty Ltd will be delivering and erecting the second tower crane at the Alexandria Park Community School construction site.

Traffic in your local area may be impacted by the delivery, with the truck bringing the crane to site travelling via Wyndham Street and Power Avenue. There will be a partial closure of Park Road/Power Avenue and vehicle access to the Park Road gate will be temporarily restricted.

Please be aware of trucks and use caution if you are walking or driving in the immediate area.

All care will be taken to minimise noise and disruption to the surrounding community.

Thank you for your patience and consideration.
