

## Frequently asked questions

### Is there any ongoing construction?

Yes. Construction will continue to deliver the new Dun Goola (rain garden) and Getiela sports field in early 2022.

### Is there a drop-off and pick-up zone?

The drop-off and pick-up zone will remain open on Park Road.

### Are there any changes to traffic conditions?

No, there are no new changes to traffic around the school.

### How will the operational area of the school be safely separated from the ongoing construction site?

The construction site for the sports field will continue to be separated with hoarding.

### How will traffic be managed?

To ensure the safety of students, staff, the local community and our site workers, traffic management will be implemented as required. This includes the use of onsite traffic control personnel to manage entry and exit of construction vehicles. Site vehicles must give way to pedestrians at all times. Wherever possible, construction deliveries to site are being scheduled outside of school drop-off/pick-up times.

### Where will the construction vehicle access point for Phase 2 works be located?

Access to the construction site for the Phase 2 works will be via Power Avenue and Park Road, Belmont Street and Buckland Street. These access points will be utilised throughout the construction to support the changing construction environment and on-site activities.

### What are the construction working hours?

Construction hours will be as per the standard hours.

- Monday to Friday: 7 am to 6 pm
- Saturday: 8 am to 1 pm
- No work will take place on Sundays or public holidays, unless otherwise notified.

# Alexandria Park Community School

## Welcome pack

The new Denzil (multi-purpose hall and sports court)

## Welcome to your school

We're excited Stage 2 of the upgrade of Alexandria Park Community School facilities is nearly completed with the new Denzil (multi-purpose hall and indoor sports court) and Mujmoonah building now ready for you to use.

Stage 2 of the redevelopment includes:

Works will continue in early 2022 to deliver the Dun Goola (rain garden) and Getiela sports field.

Outdoor areas in the new building

## Flexible learning spaces

This exciting project has delivered new learning environments for the next generation of young minds. The new learning environments offer flexibility where teachers can provide more opportunities for student engagement. The learning spaces:

- are adaptable to accommodate small or large groups
- provide accessibility to new technology in a variety of settings
- encourage a personalised learning experience so students learn at their own level and pace.

New flexible learning spaces
