

Alexandria Park Community School

Works notification

August 2020

Dear Neighbour,

We are redeveloping Alexandria Park Community School so students from Kindergarten to Year 12 can learn in innovative learning environments. The upgrade is progressing well and works are on schedule.

As part of Phase 1 works the contractor will be undertaking works on the footpath of Park Road and Power Avenue from **Thursday 13 August to Thursday 3 September 2020** (weather permitting).

The Park Road 'Kiss & Ride' zone, bus stop and school entrance gates will remain open and operational. Students, staff and community members are to use the footpath on the Alexandria Park side of Park Road, please see map below. The safety of our school and local community is important, traffic management personnel will be present at all times to assist traffic and pedestrian movements, including during 'Kiss & Ride' times.

In line with the current NSW Environmental Planning and Assessment (COVID-19 Development – Construction Work Days Order 2020), during the COVID-19 pandemic, School Infrastructure NSW construction sites can operate on weekends and public holidays. This is to allow workers to abide by social distancing rules while on construction sites by distributing building work across the week. Under this order, this work is scheduled to take place between the hours of 7:00am and 6:00pm between the above days.

All care will be taken to minimise noise and disruption to the surrounding community during this work. Thank you for your patience and consideration during these important works.

Map marking temporary pedestrian routes.
