

Alexandria Park Community School

Works notification

August 2021

We are redeveloping Alexandria Park Community School so students from Kindergarten to Year 12 can learn in flexible learning environments.

Onsite Works

As part of the construction works, the tower crane will be removed from the site. The removal works are scheduled for Saturday 4 September 2021 from 7 am to 6 pm, weather permitting. Preparation to remove the crane will begin at 6 am, this work will not be noisy.

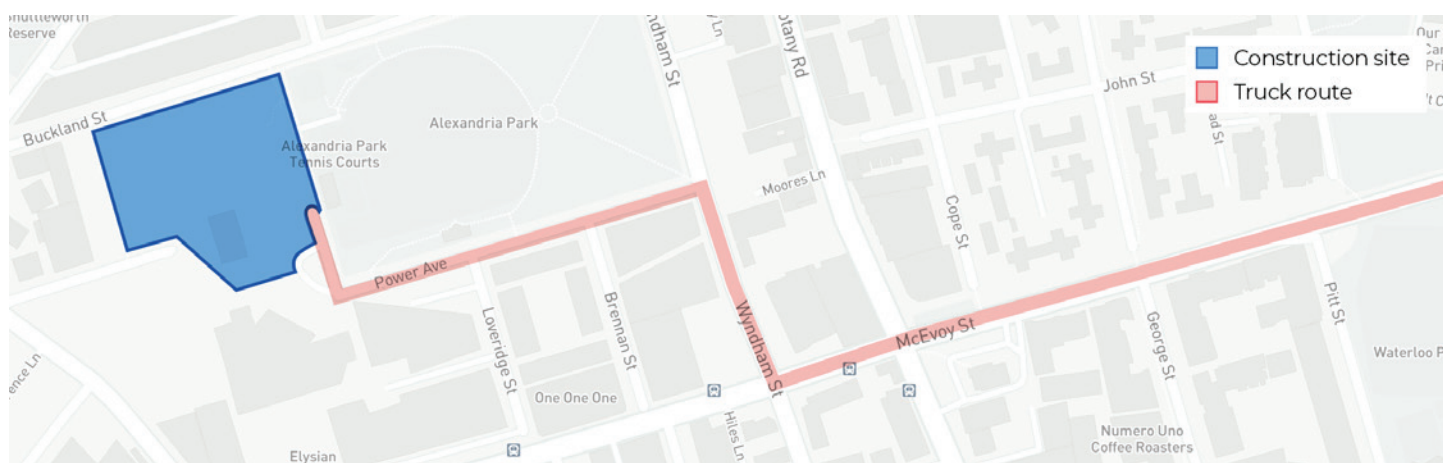

There will be no road closures, but personnel will be on site to assist with traffic, and pedestrian movement and safety where required.

During these works, there will be an increase of truck movements on Power Avenue and Park Road. All care will be taken to minimise noise and disruption to the surrounding community during the crane removal works.

Keeping you updated

Thank you for your patience and cooperation during these important works. For any queries relating to this work, please contact School Infrastructure NSW using the contact details below.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across New South Wales. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.
