

Alexandria Park Community School

Works notification

June 2021

We are redeveloping Alexandria Park Community School so students from Kindergarten to Year 12 can learn in innovative learning environments.

Extension of hoarding on Park Road

As part of the redevelopment works, we will be relocating our hoarding on Park Road, which will impact the use of the footpath. The new hoarding will block the footpath at the north end of Park Road, and the ramp at the southern end.

We will be installing semi-permanent footpaths and ramps to maintain clear pedestrian access. See the attached image for details.

These works will take place on 16 June 2021.

Parents and carers are to continue to follow the schools pickup and drop-off procedures in the bus bay area, which remain unchanged.

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community at every opportunity.

Thank you for your patience while we deliver this important school infrastructure.
