

# Alexandria Park Community School

## Works notification

October 2020

We are redeveloping Alexandria Park Community School so students from Kindergarten to Year 12 can learn in innovative learning environments.

Phase 1 of the Alexandria Park Community School redevelopment is finished and is now in use by the school. Phase 2 of the construction of Alexandria Park Community School is about to commence.

### Removal of the temporary school

As part of ongoing works, the removal of the temporary school in the Phase 2 construction area will be the first priority. The work to remove the temporary school will start mid October and be completed by mid December.

Park Road will be used as the heavy vehicle access point for the removal of the temporary school. A map showing this access point can be seen overleaf.

### Hoarding and traffic management

Before works commence, hoarding will be placed around the perimeter of the Phase 2 construction site. This includes extended fencing along Park Road and Buckland Street. The existing hoarding and acoustic barrier that runs through the middle of the school separating Phase 1 and Phase 2 will remain in place.

To ensure the safety of students, staff, the local community and our site workers, traffic management will be implemented as required. This includes the use of onsite traffic control personnel to manage entry and exit of construction vehicles. Site vehicles must give way to pedestrians at all times.

Wherever possible, truck movements will be scheduled outside school drop off and pick up times.

### Hours of work

In line with the NSW Environmental Planning and Assessment (EPA) (COVID-19 Development – Construction Work Days) Order 2020, School Infrastructure NSW construction sites can operate on weekends and public holidays. This is to allow workers to abide by social distancing rules while on construction sites by distributing building work.

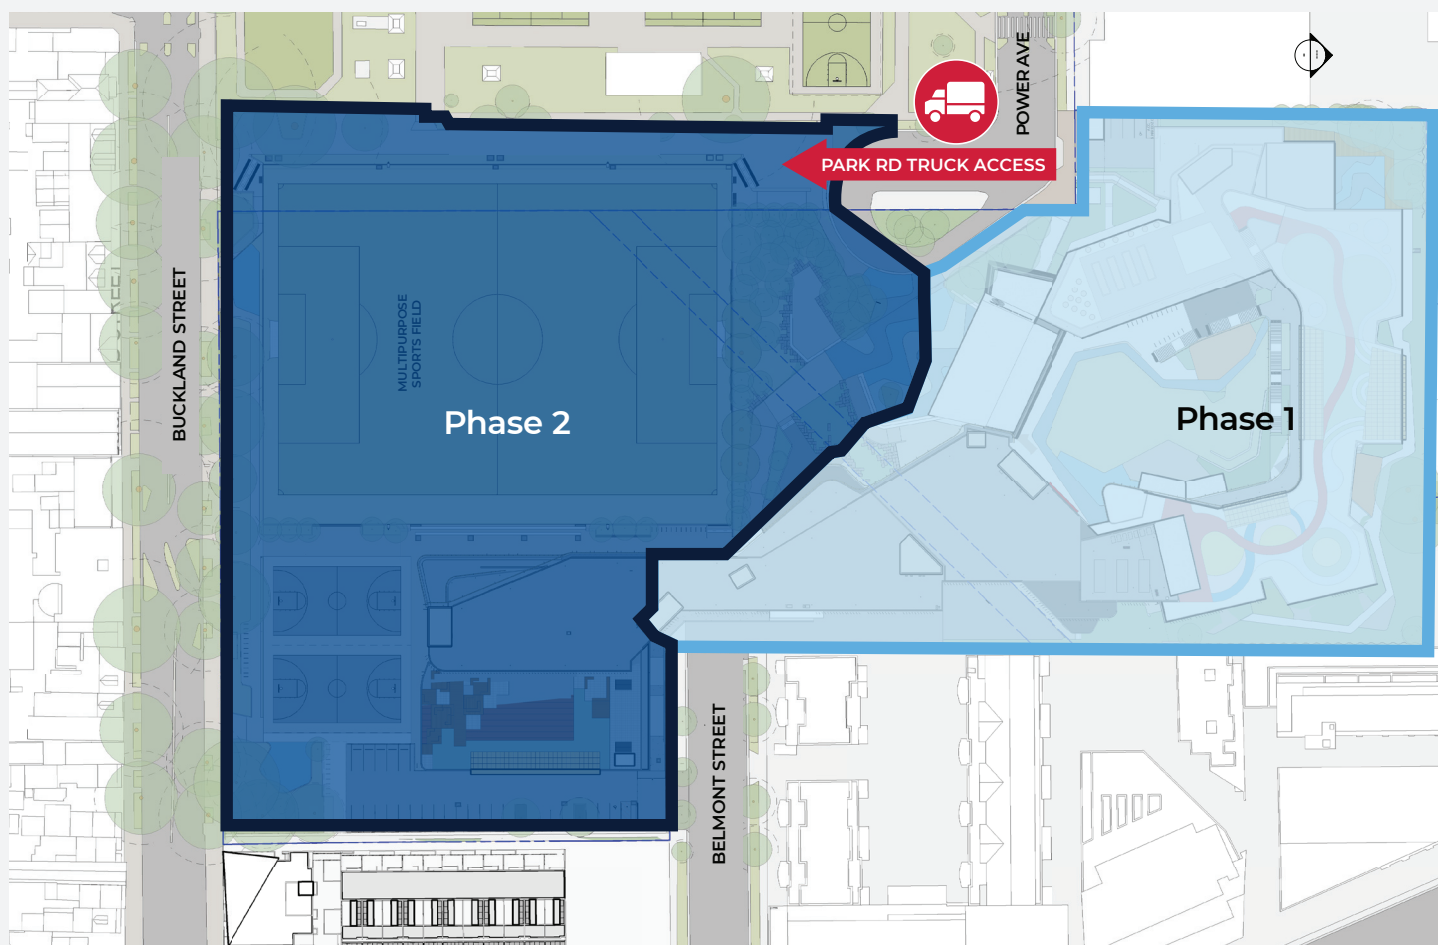

Under this order, works will take place 7:00am to 6:00pm on Saturdays, Sundays and public holidays, when required. Work hours will remain 7:00am to 6:00pm on Monday to Friday.

School Infrastructure NSW will ensure work is considerate of neighbours with noise kept to a minimum.

The extended hours will continue throughout the Phase 2 works while the EPA COVID-19 order is in place.

The health, safety and well-being of our neighbours is our highest priority and we will continue to keep the community updated.

Thank you for your patience and consideration during these important works.
