

Armidale Secondary College

Works notification

July 2020

The new Armidale Secondary College is being developed on the old Armidale High School site. The new high school will cater for approximately 1,500 students and will include modern facilities in 79 new classrooms, new school buildings, improved performing arts and sports facilities and attractive landscaping and design features

Notification of planned traffic changes impacting Butler St and Lambs Avenue

This works notification is to inform you of the planned traffic and pedestrian changes impacting Butler St and Lambs Avenue. The traffic changes are required to restore the road surfaces that have been disturbed during our works along with providing new line markings.

When will the traffic and pedestrian impacts start and finish?

The works will be undertaken over 2 separate days on Wednesday 15 July 2020 and Wednesday 22 July 2020 for the resurfacing and line marking respectively, weather permitting.

What are the construction hours?

Work will occur between 7:00am and 6:00pm, as per the DA approved construction hours. No work will take place on Sundays or public holidays.

What are the traffic and pedestrian impacts?

On Wednesday 15 July 2020 and Wednesday 22 July 2020 traffic and pedestrian diversions will be in place between 7:00am and 6:00pm. Traffic controllers will be in place to provide safety, convenience and efficient management and control of vehicle and pedestrian traffic around the worksite. (See map overleaf for details).

Access to residential driveways will not be impacted as a result of these closures.

What safety measures will be in place?

The safety of the school community and local community is our top priority. During construction, the contractors will follow rigorous processes to ensure the safety of students, staff, contractors, parents and other visitors to the site is maintained.

The works will be conducted in accordance with Safe Work NSW requirements and the area will be isolated within the construction zone.
