

# Asquith High School (currently Asquith Girls High School)

As part of the NSW Government’s plan to rebuild public education, the NSW Budget is delivering record education funding, including \$9 billion for new and upgraded schools. This targeted investment will ensure growing communities get access to a world class public education.

The upgrade of Asquith Girls High School will ensure it is fit-for-purpose to support the change to co-education from 2026.

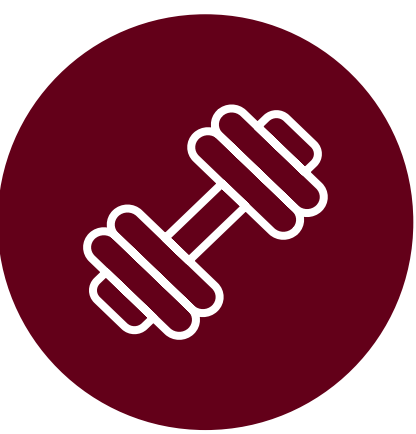

The project will deliver:

upgraded food technology classrooms

refreshed science labs

new fitness centre

new signage

wood and metal workshop

new toilet and change room facilities

upgraded IT and administration systems

Aerial view of Asquith Girls High School

# Site plan

The designs have considered the existing school facilities, spatial requirements, site constraints, and the Educational Facilities Standards and Guidelines (EFSG). This process has involved consultation with experts and key stakeholders, including the Project Reference Group (PRG), to ensure that all operational needs are met. The site plan on the right includes details of the areas that will be upgraded.

# Asquith High School uniforms

After a consultation process, we are pleased to announce that the name Asquith High School has been formally accepted by the Geographical Names Board. The new name will come into effect from Day 1 Term 1 2026. We are excited to share the new Asquith High School uniform designs, developed following the recent school naming consultation. The new uniform reflects a sense of unity and pride among students and will be made available for students to wear from 2026.
