Dear Mr Mccluskey

**Bankstown North Public School (SSD-10290)
Independent Environmental Audit**

Reference is made to the Independent Environmental Audit (IEA) report and Response to Audit Recommendations (RAR) for the Bankstown North Public School, prepared as required by Schedule 2 Conditions C37-C42 of SSD-10290 (the approval) and submitted to the Department of Planning, Industry and Environment (the Department) on 1 October 2021.

The Department considers that the IEA report generally satisfies the reporting requirements of the approval. Please note that acceptance of this report is not endorsement of the compliance status of the project.

Non-compliances relating to Conditions B19 and C1, identified in the IEA have been assessed in accordance with the Department's Compliance Policy with the Department on this occasion, determining to record the breaches with no further enforcement action. However, please note that recording the breach does not preclude the Department from taking alternative enforcement action, should it become apparent that an alternative response is more appropriate.

If you wish to discuss the matter further, please Brittany Golding on 02 9995 5742.

Yours sincerely
