## Day 1 Term 1, 2019

Welcome to Bella Vista Public School. This is an exciting time for our school.

On Day 1, teachers will be ready to meet you at the Ernesta Place entrance to guide you to your classrooms. Enjoy your first day at your new school and the year ahead.

## Staged delivery

The construction of Bella Vista Public School has been designed to be completed in stages to allow for your school to open on Day 1 Term 1, 2019 while works continue.

**Stage 1** of the school will open for Day 1 Term 1, 2019 and cater for all enrolled students. This will be for 20 classrooms located in blocks A and B and all the school facilities.

**Stage 2** will be the remaining 20 classrooms in Blocks C and D. The construction work is still being finalised in this area, but you will be safe and separated from these areas and construction workers won't have access to your teaching and learning spaces. Stage 2 will be completed for Term 2, 2019.

## School access

### What to expect

Due to the road works on Free Settlers Drive, a temporary kiss and ride zone will be installed on Ernesta Place. This will later be replaced with a permanent kiss and drop zone on Free Settlers Drive at the completion of the road works up to the school boundary.

Road works adjacent to the school on Free Settlers Drive will continue during Term 1. The section of the road up to the school boundary is expected to be completed by The Hills Shire Council by April 2019. The extension of Free Settlers Drive past the school boundary is also being undertaken by The Hills Shire Council and is expected to be completed in late 2019.
