

The new two-storey learning hub at Bletchington Public School

Bletchington Public School

Completion Pack | February 2024

Welcome to your upgraded school

We're excited the Bletchington Public School upgrade is now complete and ready for students and staff to use. The first part of the upgrade was opened on Day 1 Term 1, 2023. The second part of the upgrade is now complete. The upgrade has delivered:

a new two-storey learning hub including 10 new classrooms

a new ICT special programs unit

refurbished classrooms, including support classes, and multipurpose areas

a hall upgrade

upgraded connecting walkways

a new covered outdoor learning area (COLA) next to the hall

We are delighted to deliver this upgrade for the Bletchington community and hope you enjoy your new spaces.

Inside the new learning hub

Message from your Principal

I'm delighted to announce on behalf of Bletchington Public School that the school upgrade has been successfully completed. We've been enjoying the newly finished facilities under Stage 1 of the upgrade since the beginning of Term 1 in 2023. Now, with Stage 2 finalised, we look forward to using our upgraded hall, refurbished classrooms, new COLA, and upgraded walkways.

Our newly renovated spaces are well resourced, serving as valuable assets for all students. These technology-rich learning environments are designed to foster innovative teaching and learning programs, guiding each child towards realising their full potential.

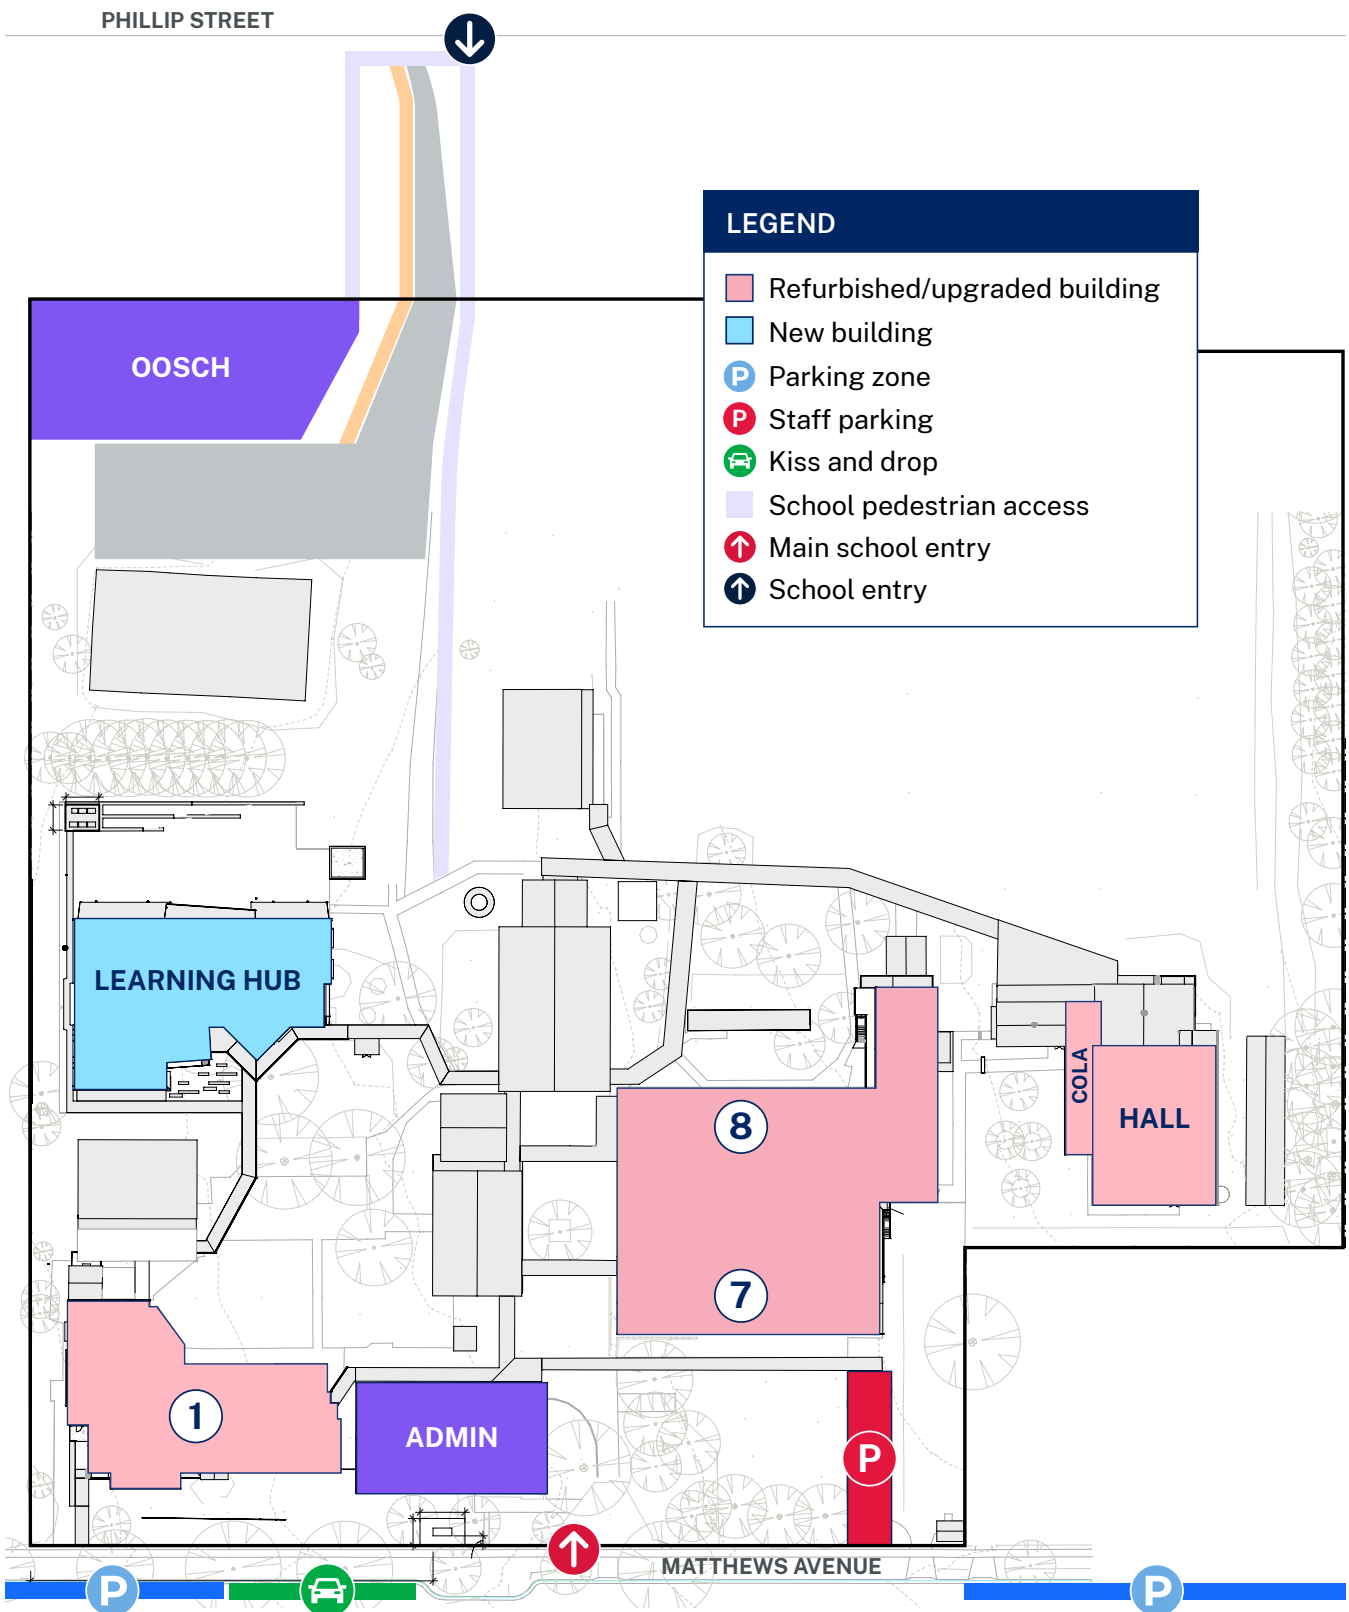

A heartfelt thank you goes out to everyone involved in this project, and we extend our gratitude to the community for your patience and unwavering support throughout the construction phase.

We are excited about the prospect of welcoming you to our upgraded school, which aligns with our commitment to being an institution that fosters excellence and innovation. Together, we look forward to a future filled with enriched educational experiences and continued success.

Philippa Hughes

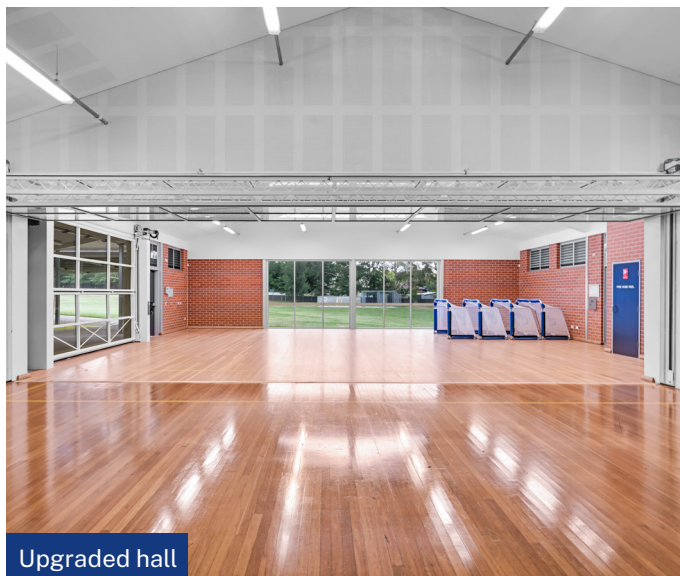

School Principal (Rel)
Bletchington Public School
