Day 1 Term 1, 2019

The first day of the 2019 school year will be exciting for the students, teachers and parents at Bolwarra Public School.

What to expect

Our new learning spaces and facilities will be ready and open for students for Day 1 Term 1, 2019. Teachers will be ready to meet their students to guide them to their classrooms.

On Day 1 Term 1 the school entry will be from Bolwarra Road near the bus zone and from the back entrance via the sporting oval. New access ramps have been installed at the main school entry and adjacent to the administration building.

Enjoy your first day at your new school and the year ahead.

Remaining works

Some minor works will be completed in February 2019 with minimal disruption to school operations. This includes several classrooms, and paving and landscaping works along the eastern boundary of the school. Temporary fencing will be installed to separate the work area from the school and ensure the safety of staff and students.
