

# Brooke Avenue Public School

Welcome pack | October 2021

## Welcome to your new learning spaces

The Brooke Avenue Public School upgrade is now finished and ready for use, delivering:

4 flexible learning spaces

2 withdrawal rooms

A practical activity area

A new sports court

Thank you for your patience during construction. We are delighted to deliver this project for the Brooke Avenue Public School community and hope you enjoy your new spaces.

# Message from your Principal

---

On behalf of the Brooke Avenue Public School Learning Community I welcome everyone to our exciting new school upgrade. The recent investment in the school has afforded our students and staff with modern and attractive facilities, and opportunities for flexible learning.

The design of the new building will allow teachers to co-teach and use engaging teaching practices, allowing for individualised learning and collaboration. The fully air-conditioned spaces also ensure students can learn in comfort all year round. The new outdoor area is an added bonus that completes the wonderful new facility for our school.

Brooke Avenue Public School is growing and it has been exciting to be involved in this building project. I would like to thank all of the people involved in realising our new facilities as we look forward to an exciting future.

**Owen Dalkeith**  
Principal

## Flexible learning environments

---

This exciting project has delivered new learning environments for the next generation of young minds. The new learning environments offer flexibility where teachers can provide more opportunities for student engagement.

The learning spaces:

- are adaptable to accommodate small or large groups
- provide accessibility to new technology in a variety of settings
- encourage a personalised learning experience so students learn at their own level and pace.
