Works notification | 19 April 2023

Enabling works are ongoing prior to the start of construction of Bungendore High School at its permanent location.

Temporary changes to site perimeter fence for Anzac Day 2023

Temporary changes will be made to the existing site perimeter fence to accommodate pedestrian access from the Bungendore War Memorial to the Bungendore Scout Hall for Anzac Day. This will enable pedestrian use of part of the footpath within the site boundary and the northern section of Majara Street between the pool and Turallo Terrace on the morning of 25 April 2023 only.

Extension of site perimeter fence on Wednesday 26 April 2023

The Bungendore swimming pool was closed at the end of the swimming season.

On Wednesday 26 April 2023 the temporary perimeter fence will be expanded to surround the pool (see map at right).

The temporary fencing changes made for Anzac Day will also be reverted and pedestrian access to the section of footpath within the site boundary and to Majara Street between Turallo Terrace and Gibraltar Street and Gibraltar Street will again be closed.

The extended fence line will allow for access to the shipping container used by the Mud Chooks Rugby Union Football Club.

Thank you for your patience while we deliver this important school infrastructure.
