

# Bungendore High School

Works notification | 10 August 2023

## Realignment of site perimeter

The Queanbeyan-Palerang Regional Council (QPRC) has relocated to a new office at 13 Gibraltar Street Bungendore.

From 16 August 2023, the site perimeter fence for Bungendore High School will be extended around the former Council offices at Majara Street, as shown on the map below.

As notified in the June 2023 Project Update, we have extended the lease to the Bungendore Community Centre to 30 September 2023. Access to the Bungendore Community Centre will continue to be from Turallo Terrace.

We are working with QPRC on lease arrangements for the Bungendore Pool so it can stay open for the 2023/24 swimming season.

The Bungendore Pool is currently fenced as part of the construction site. When the lease arrangements have been finalised, the fencing will be realigned to allow access to the pool.

We are committed to delivering the new school as soon as possible.

Thank you for your patience while we deliver this important school infrastructure.
