Realignment of site perimeter fence at Bungendore Pool

As previously notified the Bungendore Pool will stay open for the 2023/24 swimming season.

From 18 September 2023 the fence around the Bungendore Pool will be realigned, as shown on the map below.

The fence realignment will create an access corridor from Turallo Terrace to the entrance of Bungendore Pool by shifting the fence for the Bungendore High School site closer to Majara street. The construction fencing which had been installed around the Bungendore Pool will be removed.

We are committed to delivering the new school at its permanent location as soon as possible. Thank you for your patience while we deliver this important school infrastructure.
