

Project overview

A new high school in Bungendore is being delivered to accommodate 450 students. The project will also upgrade facilities at Bungendore Public School.

The new high school will have modern facilities with 24 flexible learning spaces including 3 support learning spaces, a library, hall, school canteen, playing courts, an agricultural plot, and kiss and drop zones.

Learning spaces will be built to enable teaching of English, Mathematics, Science, Technologies, Human Society and its Environment (HSIE), Personal Development, Health and Physical Education (PDHPE), Creative Arts, Languages, Vocational Education and Training (VET), and Agriculture.

Timeline

The Response to Submissions for the State Significant Development (SSD) has now been lodged with the Department of Planning and Environment. This will be on exhibition and the community have the opportunity to comment on the updated plan.

Construction can start on the new high school after the SSD application has been approved.

The high school will open in temporary facilities at Bungendore Public School on Day 1 Term 1 2023.
