

Artist render of the Callaghan College Jesmond Campus upgrade

## Callaghan College Jesmond Campus

Project update

August 2019

### Investing in our schools

The NSW Government is investing \$6.7 billion over the next four years to deliver 190 new and upgraded schools to support communities across NSW.

In addition, a record \$1.3 billion is being spent on school maintenance over five years. This is the largest investment in public education infrastructure in the history of NSW.

### Callaghan College Jesmond Campus

A project is underway to upgrade Callaghan College Jesmond Campus. The project will provide:

- nine new innovative learning spaces
- a new multi-purpose hall to replace the concrete dome
- an all-weather cover installed over the existing basketball courts
- a new entry road to provide improved access to Callaghan College and Heaton Public School.

### Progress summary

Construction commenced in early 2019 with site preparation, bulk earthworks and retaining wall installation. Works are progressing well with the majority of concrete slabs now poured. Ongoing activities will include:

- Relocating in-ground utility services
- Pouring concrete slabs
- Erecting structural steel and roof installation.

The project is forecast for completion mid-2020.

### Community information booth

To coincide with Education Week, we are holding a community information booth to answer any questions the community may have about the project.

- Thursday, 8 August 2019 at the Griffith Duncan Theatre, University of Newcastle, 4:30pm to 7:00pm

The Griffith Duncan Theatre (Building HD01) is located on University Drive, University of Newcastle Callaghan Campus.
