

Cammeray Public School

Project update | December 2024

Image caption: Artist impression of the new building

Investing in our schools

As part of the NSW Government's plan to rebuild public education, the 2024-25 Budget is delivering record education funding, including \$8.9 billion for new and upgraded schools. This targeted investment will ensure growing communities get access to a world class public education.

Project overview

The upgrade to Cammeray Public School will replace demountable buildings with 4 permanent classrooms and 2 practical activities areas in a new two-storey building. The new building will include a lift and covered walkways.

Find out more about the upgrade at our upcoming information session.

Drop-in information session: Friday 13 December 2024

We warmly invite the school community to attend a drop-in information session to speak with members of the Project Team and provide feedback.

Time: 3 pm to 6:30 pm

Location: Cammeray Public School library at Palmer Street, Cammeray

You can attend any time during this time.

If you are unable to attend, resources shared at the session will be made available afterwards.

More information

You can find more information about the project at edu.nsw.link/CammerayPS or by scanning the QR code.
