

Artist impression of the new multi-purpose hall

Canterbury Boys High School

Project update | November 2022

Investing in our schools

The NSW Government is investing \$8.6 billion in school infrastructure over the next 4 years, continuing its program to deliver 160 new and upgraded schools to support communities across NSW. This builds on the more than \$9.1 billion invested in projects delivered since 2017, a program of \$17.7 billion in public education infrastructure.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Project overview

A project is underway to provide a new multi-purpose hall at Canterbury Boys High School. The new hall will include a stage, gymnasium, indoor sports court, female and male amenities, first-aid room and back of house facilities.

Progress summary

The Development Application (DA) has been approved by the Inner West Council and the detailed design is being finalised.

Main construction works are anticipated to start from Friday 11 November 2022.

Construction vehicles will access the site via the secondary student parking gate off Hardy Street, which will be unavailable for use by the school throughout the works.

Next steps

- site establishment works including installation of temporary fencing, site sheds and environmental controls
- finalising the detailed design
- starting main construction works.

Working hours

Work will take place during the approved construction hours, 7am to 6pm Monday to Friday, and 8am to 5pm Saturdays. No work will occur on Sundays or public holidays, unless otherwise advised.

We are here to make sure that the works are completed safely and efficiently, with minimal impact on the community.

We will continue to update the community as the project progresses.
