

Canterbury Boys High School

Works notification | 24 August 2023

Due to unforeseen issues, the road cutting for the hydrant connection works outlined in the notification below has been rescheduled to take place on **Friday 25 August 2023**.

Additional works to install the water valve and pipes to accommodate the underground water connection will take place on Tuesday 29 August. Back filling and road restoration work will be completed between Wednesday 30 August and Monday 4 September (map overleaf).

Traffic management will be in place to ensure the disruption is minimal.

Thank you for your cooperation and patience.

14 August 2023

A project is underway to provide a new multi-purpose hall at Canterbury Boys High School. The new hall will include a stage, indoor sports court, toilets, first-aid room and back of house facilities.

Temporary changes to traffic conditions on Hardy Street

On Friday 18 August, work to connect the hydrant water supply will take place along Hardy Street near Mount Street. The road will be steel cut to provide access across from the Canterbury Boys High School driveway. Underground boring works will be conducted on the footpath adjacent to the driveway. Traffic management will be in place to ensure the disruption is minimal.

No properties will lose water supply during this activity.

Working hours

Work will take place during the approved construction hours, 7am to 6pm Monday to Friday, and 8am to 1pm Saturdays. No work will occur on Sundays or public holidays, unless otherwise advised.

We are here to make sure that the works are completed safely and efficiently, with minimal impact on the community.

The health, safety, and wellbeing of the school and the local community is our highest priority, and we will continue to keep the community. Thank you for your cooperation while we deliver this important school infrastructure.
