The new hall is now complete

The new multi-purpose hall at Canterbury Boys High School is finished. It contains:

A stage

Indoor sports court

Equipment storage, services area and back of house facilities

External access ramps and landscaping

Message from your Principal

We are thrilled to announce the grand opening of our new multi-purpose school hall, a beacon of learning and community unity. This state-of-the-art facility is a testament to the departments commitment to providing our students with the best educational experiences. With its spacious design and cutting-edge technology, the hall will serve as a hub for various school activities, from assemblies and lectures to theatre productions and sports events.

Moreover, this space isn't just for our students; it's also designed to be a hub for the broader community. We hope that the hall will become a place where our school and the local community can come together, forging lasting connections and enhancing the overall educational experience for all. We look forward to the countless opportunities and memories this space will create for our students and the community at large.

Ross Dummett
Principal, Canterbury Boys High School

Stage

Kitchen

Sports court

Accessible ramp to stage

Thank you

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.
