

Canterbury South Public School

Day 1 Term 3 Welcome Pack

Flexible learning space in the new building

Welcome to your new facilities

We're excited that your new facilities are ready for you to use.
The Canterbury South Public School redevelopment has delivered:

A new building
with 30 learning
spaces

A new
library

A new hall

A new
canteen

A new covered outdoor
learning area (COLA)

A new
administration
building

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.

Message from your Principal

Canterbury South Public School is excited to be able to deliver flexible learning environments that will inspire the next generation of young minds.

These technology-rich learning environments will enable the delivery of collaborative learning practices that build flexible and resilient learners who are prepared for a continually changing world.

As a diverse, inclusive school we are committed to empowering our students to celebrate their uniqueness, to embrace high impact, innovative teaching and learning programs that nurture and guide each child to achieve their full potential.

We are excited about the next chapter of our journey and look forward to sharing with our community our contemporary state of the art facilities.

I would like to thank the community – students, staff, parents and local residents for their patience during construction.

I have no doubt that you will be impressed with the outcome, just as we are!

Together we can ensure your child succeeds.

Daniela Frasca
Principal, Canterbury South Public School

Flexible learning spaces

This exciting project has delivered new learning environments that offer flexibility where teachers can provide more opportunities for student engagement. The learning spaces:

- are adaptable to accommodate small or large groups
- provide accessibility to new technology in a variety of settings
- encourage a personalised learning experience so students learn at their own level and pace.

Getting to school

School entrance and pedestrian routes

The main school entrances on High Street and France Street will be closed from July to late September 2022 while external works continue. Temporary entrances will be opened on Napier Street and France Street.

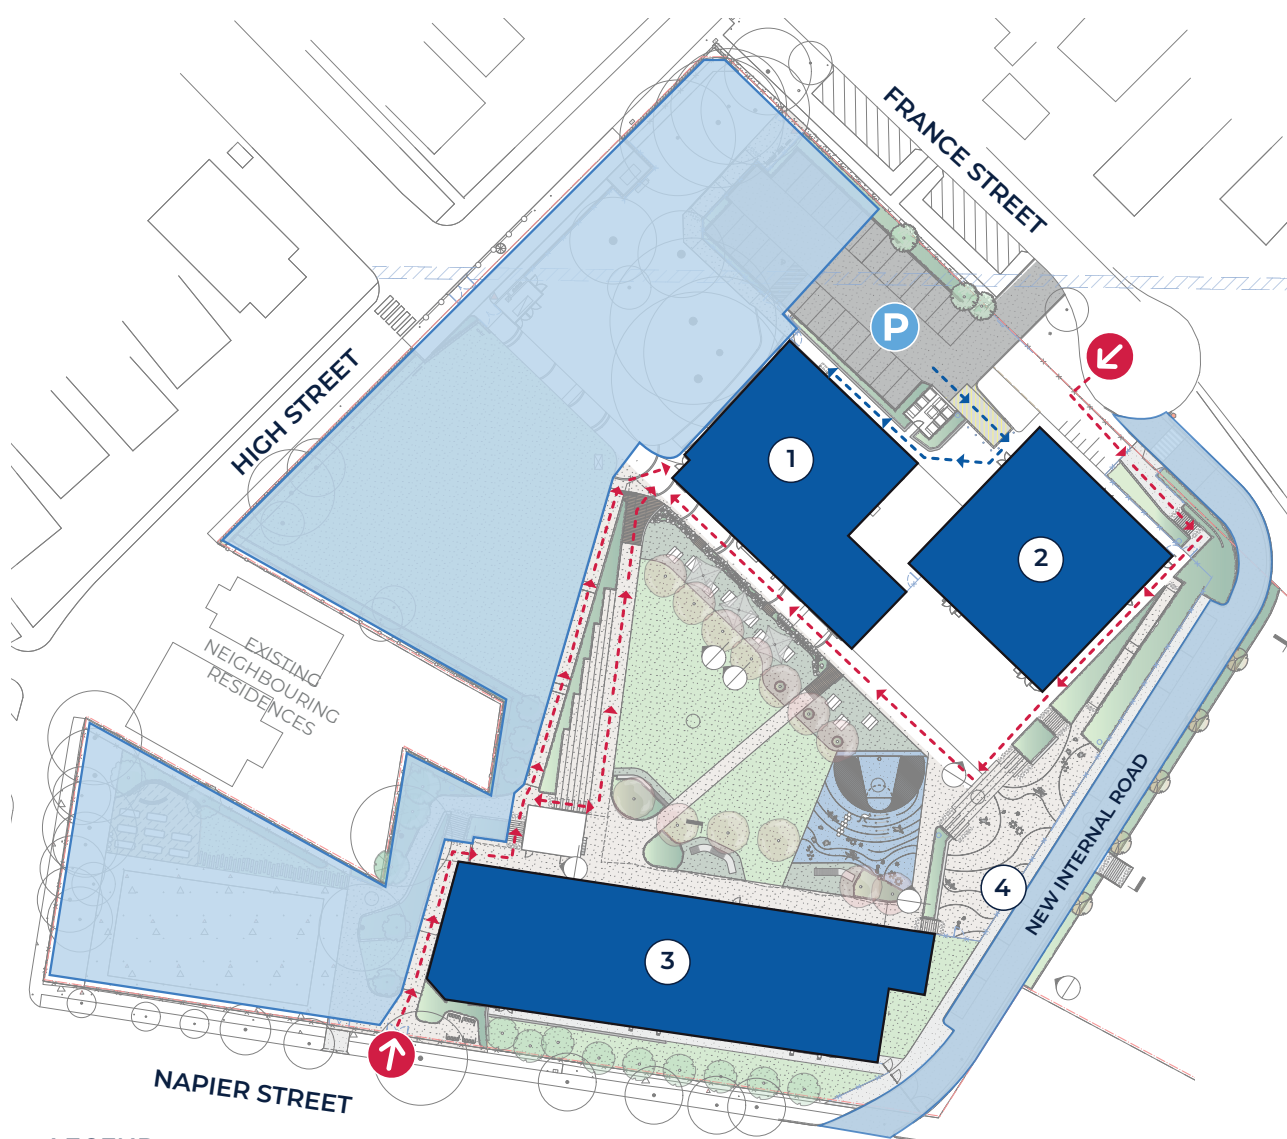

New kiss and drop area

The school's new internal link road between France Street and Napier Street provides a new 'kiss and drop' area for the school and will be completed in Term 3. The school community will be notified when the road opens.

The road is a one-way street with a speed limit of 5kmph. Cars must enter from Napier Street and exit via France Street.

It has monitored timed gates which will be open for drop off from 8:50 am to 9:30 am and pick up from 3 pm to 3:30 pm. There will be no access at other times of day and no parking on the road.

The site plan below shows the school's temporary entrances, new kiss and drop area and pedestrian routes to the school office in Block 1.

LEGEND

- ① Admin, library, canteen and special programmes rooms
- ② Hall and COLA
- ③ Teaching and learning spaces
- ④ Kiss and drop area (to be completed Term 3)

-  Construction site
-  Entry
-  Staff carpark

-  Staff access route
-  Pedestrian access route

Frequently asked questions

What works are still to be finished?

The following works will continue in Term 3:

- construction of the new internal link road
- external works to add paving, tiered seating, soft landscaping and play space.

Why is there a new internal road?

The new internal road will address concerns with traffic management around school drop off and school pick up. It creates a 'kiss and drop' within the school grounds and reduces activity on neighbouring streets.

What is the capacity of the new school?

The school will be able to deliver learning spaces for around 690 students. Based on current population projections for the local area, school enrolments will grow gradually over the next decade.

What are the construction hours for this project?

Standard construction hours for this project are 7 am to 5 pm Monday to Saturday. No works will take place on Sunday or public holidays, unless otherwise notified.
