

Canterbury South Public School

Works notification

18 February 2022

A project is underway to upgrade Canterbury South Public School and provide new and improved education facilities to support the student community.

Change in construction hours from Sunday 20 February to Thursday 31 March 2022

The NSW Government has recently passed legislation, Environmental Planning and Assessment (COVID-19 Development-Construction Work Days) Order 2022, to allow construction hours to be extended outside of those specified in the development consent conditions to protect the health, safety and welfare of construction workers and our community during the COVID-19 pandemic.

The new construction hours are 7 am to 5 pm Monday to Saturday and 9 am to 5 pm Sunday.

Work completed on a Sunday is restricted to certain activities to minimise noise and impact to the community. No work will occur on public holidays.

The health, safety and well-being of students, staff, neighbours and community is our highest priority. For any queries relating to this work, please contact School Infrastructure NSW using the contact details below.

Thank you for your patience and cooperation during these important works.
