

# Canterbury South Public School

School holidays works notification

June 2021

We are upgrading Canterbury South Public School with new and improved education facilities for students. We are writing to provide an update on works occurring as work on this upgrade continues.

## Work over the winter school holidays

Construction at Canterbury South Public School will continue over the winter school holidays. This will include:

- completion of roof works to Block 2, and continued fit-out and façade works to Blocks 1 & 2.
- suspended slab formation to Block 3
- complete road-base and compaction for new internal road
- temporary surface work on internal staff carpark.

## Working hours

Regular working hours will continue over the school holidays. Working hours are 7.00am – 5.00pm Monday to Saturdays\*. No works will take place on Sundays or public holidays, unless otherwise notified.

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community at every opportunity.

Thank you for your patience while we deliver this important school infrastructure.

*\* note: There was an error in the previous version of this notification. The DA conditions allow for work to occur Monday - Saturday, rather than Monday to Friday.*
