

Canterbury South Public School

Works notification

October 2021

We are upgrading Canterbury South Public School with new and improved education facilities for students. We are writing to provide an update on works occurring at Canterbury South Public School.

Change in construction hours – 17 October to 19 December 2021

The NSW Government has recently passed legislation, the Environmental Planning and Assessment (COVID-19 Development-Construction Work Days) Order (No 3) 2021, to allow construction hours to be extended outside of those specified in the development consent conditions to protect the health, safety and welfare of construction workers and our community during the COVID-19 pandemic.

The new construction hours for the Canterbury South Public School upgrade are 7 am to 5 pm Monday to Saturday and 9 am to 5 pm on Sundays.

Work completed on a Sunday is restricted to certain activities to minimise noise and impact to the community. No work will occur on public holidays, unless otherwise notified.

The health, safety and well-being of students, staff, neighbours and community is our highest priority. For any queries relating to this work, please contact School Infrastructure NSW using the contact details below.

Thank you for your patience and cooperation during these important works.
