

Carlingford West Public School and Cumberland High School

Works notification | 22 January 2024

As part of the NSW Government's plan to rebuild essential services, a project is underway to upgrade Carlingford West Public School and Cumberland High School.

Piling work starts

From Monday 29 January 2024 to Tuesday 30 April 2024, piling will be in progress at both schools.

Piling involves drilling holes and installing concreting structural columns in the ground to establish the foundations for new buildings. A piling rig machine will drill holes to various depth of up to approximately 12 metres for these columns (or piles).

All piling is behind the hoarding and within the current work sites.

Two separate piling rigs and crews will be working at the same time at both sites. You can expect to see more workers on site at this time.

Piling will be carried out during normal construction hours, Monday to Friday 7am to 6pm and Saturdays, 8am to 1pm, with respite periods as required depending on the activities being completed.

We are working with the schools to minimise any disruption when scheduling noisy works and we will continue to communicate with the community.

Respite periods

Noise and vibration is constantly monitored and will comply with the Noise and Vibration Management Sub Plan available on the website. There will be no rock breaking, hammering, sheet piling, pile driving or similar activities during the following times:

Mondays to Fridays: 7am to 9am, 12pm to 2pm and 5pm to 6pm

Saturdays: 8am to 9am, 12pm to 1pm.

Work hours

The approved work hours are:

Mondays to Fridays, 7am to 6pm

Saturdays, 8am to 1pm.
