Traffic data collection for the upgrade at Carlingford West Public School

Dear parents and residents,

We are delivering an upgrade at Carlingford West Public School to support the growing student community.

Traffic Data Collection

As part of planning for this project, traffic data will be recorded from 3 May 2021 to help understand current traffic levels around the school, before work starts on the project.

To record accurate traffic information, we will place traffic monitoring equipment close to the Carlingford West Public School entry points for the duration of the data collection period.

The detailed times are as follows:

- School Entry Counts (located along Felton Road, Hilar Avenue, Blenheim Road and near Cumberland High School)
 - Monday 3 May to Friday 7 May (5 days)
 - 8:30am - 9:30am and 3:00pm - 4:00pm
- Drop-off and Pick-up (located along Felton Road, Hilar Avenue and Blenheim Road)
 - Monday 3 May to Friday 7 May (5 days)
 - 8:30am - 9:30am and 3:00pm - 4:00pm
- Intersection Counts (located at intersections along Felton Road and Pennant Hills Road)
 - Tuesday 4 May and Thursday 6 May (2 days)
 - 8:30am - 9:30am and 3:00pm - 4:00pm
- Queue Length Survey (located along Felton Road, Baker Street, Pennant Hills Road and Karingal Avenue)
 - Tuesday 4 May and Thursday 6 May (2 days)
 - 8:30am - 9:30am and 3:00pm - 4:00pm

This work will not cause any disruption to pedestrian or traffic flow. However, you may notice contractors installing and checking the monitoring equipment during this period.

Please contact us by calling 1300 482 651 or emailing us on schoolinfrastructure@det.nsw.edu.au if you have any questions or concerns.

Keeping you updated

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community at every opportunity. Thank you for your patience while we deliver this important school infrastructure.
