

# Carlingford West Public School

## Works notification

August 2021

In line with the NSW Government's COVID-19 Guidelines, preparation works and construction on the Carlingford West Public School temporary school site resumed on 11 August 2021.

A comprehensive COVID-19 Safety Plan will be in place for the site and the contractor will enforce strict compliance under the Public Health Order. Our construction sites will follow all current health guidelines, including workers wearing masks for indoor and outdoor work.

The NSW Government has recently passed legislation to allow construction hours to be extended outside of those specified in the Environmental Planning and Assessment Act (1979) under the COVID-19 Development-Construction Work Days Order (No 3) 2021 to protect the health, safety and welfare of construction workers and our community during the COVID-19 pandemic.

### **Change in construction hours**

The new construction hours are 7 am to 6 pm Monday to Sunday, including public holidays.

Work completed on a Saturday, Sunday or public holiday is restricted to certain activities to minimise noise and impact to the community.

Safety is the number one priority for School Infrastructure NSW and we are following all health advice in relation to construction sites.

Regular updates are published on the School Infrastructure NSW website to communicate the changes on our sites in line with NSW Government's COVID-19 Guidelines. To keep up to date, please visit: [schoolinfrastructure.nsw.gov.au](http://schoolinfrastructure.nsw.gov.au).

Thank you for your patience and cooperation during these important works.
