Carlingford West Public School

Project update

May 2021

Investing in our schools

The NSW Government is investing \$7 billion over four years, continuing its program to deliver more than 200 new and upgraded schools to support communities across NSW. This is the largest investment in public education infrastructure in the history of NSW.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Project overview

Carlingford West Public School is being fast tracked for an upgrade which includes:

- 46 new learning spaces
- Refurbishing nine existing learning spaces
- Upgrades to core facilities including the school administration, canteen, hall and library as well as staff facilities.

The project is being fast-tracked as part of the NSW Government's COVID-19 Recovery Plan.

Upcoming drop in sessions

You're invited to attend a community drop in session about the upgrade to Carlingford West Public School to view the current artist impressions and latest project information.
