

# New primary school in Catherine Field

## Works notification

3 August 2020

A project is underway to deliver a new primary school in Catherine Field on O’Keefe Drive. The school will include 44 flexible learning spaces, a library, hall, canteen and covered outdoor learning area.

### Update on out of hours deliveries

Further to our notification of Monday 13 July 2020, the out of hours deliveries to the school have been rescheduled due to recent wet weather.

Deliveries will now be made to the school site between 1:00am and 5:00am on the following mornings:

Week 3	Week 4
Monday 3 August 2020 – unchanged	Monday 10 August 2020
Tuesday 4 August 2020 – unchanged	Tuesday 11 August 2020
Wednesday 5 August 2020	Wednesday 12 August 2020
Thursday 6 August 2020	Thursday 13 August 2020
Friday 7 August 2020	Friday 14 August 2020

The above schedule is weather permitting. We will update you if the above dates change.

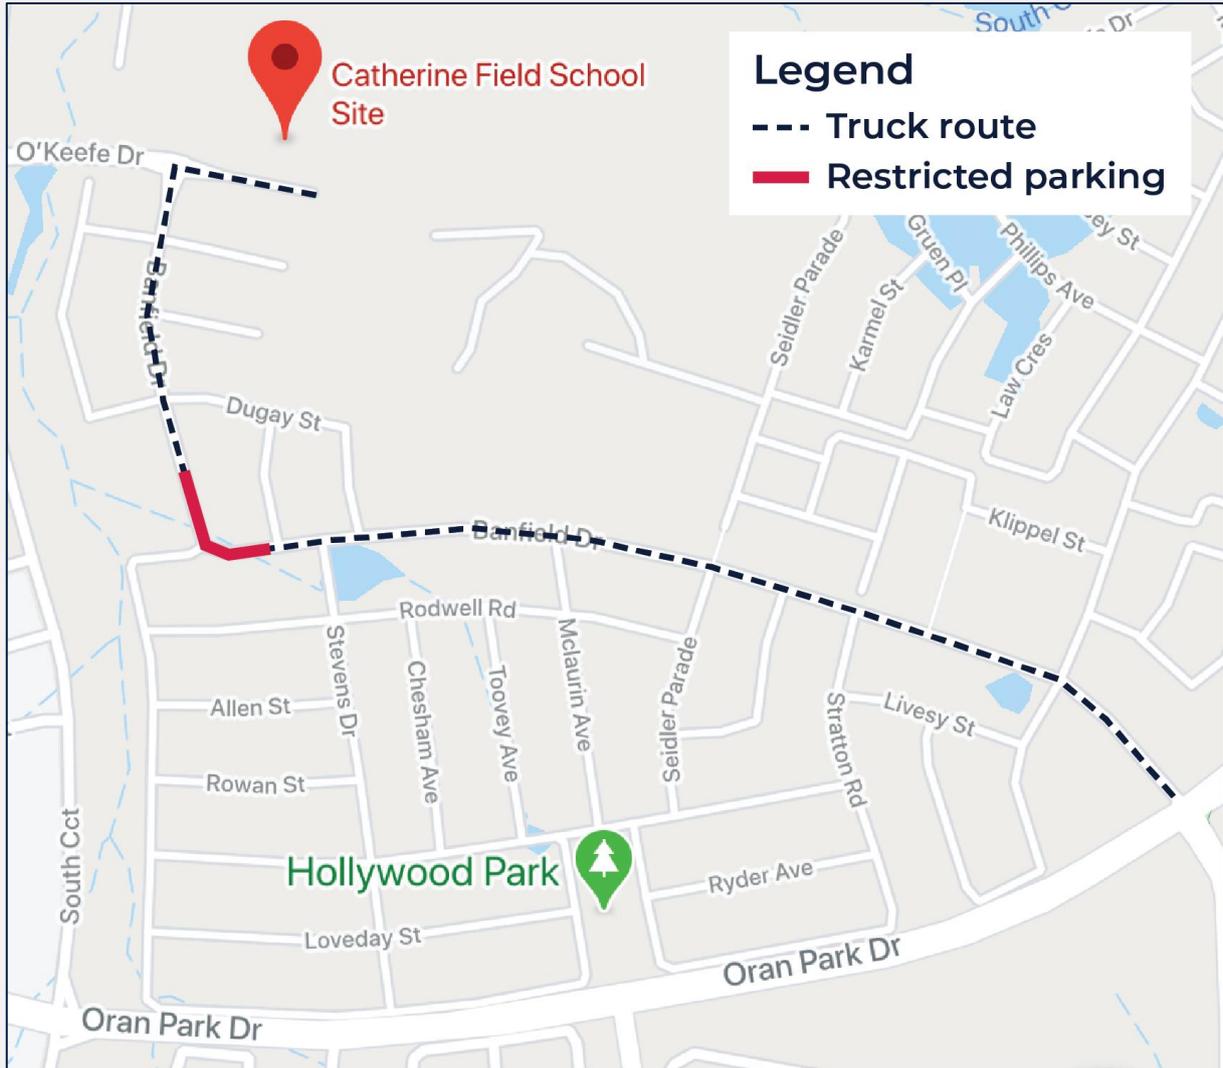

### Oversized truck deliveries

Driving hours for oversize trucks are regulated by Transport for NSW and Camden Council. Oversize deliveries take place outside of normal hours to minimise the impact on road users and the general public.

Parking at the intersection of Banfield Drive and Lillywhite Circuit, Oran Park will be restricted on the nights that deliveries are made. This will ensure that oversize trucks have a safe turning and driving route to the school site. The map over the page indicates the truck route and restricted parking areas.

We are committed to minimising the impact of construction on local residents. Upon arrival on site, truck drivers will switch off their engines and remain in the cabs until approved working hours begin at 7:00am.

Standard construction hours are 7:00am to 6:00pm Monday to Friday and 8:00am to 1:00pm Saturdays. Under standard hours, there will be no work on Sundays or public holidays.

## Keeping you updated

Thank you for your understanding during this important work. We welcome any enquiries regarding work at the new primary school in Catherine Field.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across New South Wales. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.
