

Upgrade to Chatswood High School & Chatswood Public School

Works notification

February 2022

Dear Community,

We are upgrading Chatswood High School and Chatswood Public School with more than 150 new and improved education learning facilities to support the student community.

Change to weekend construction hours

The NSW Government has recently passed legislation, Environmental Planning and Assessment (COVID-19 Development-Construction Work Days) Order 2022, to allow construction hours to be extended outside of those specified in the development consent conditions to protect the health, safety and welfare of construction workers and our community during the COVID-19 pandemic.

The work order is in force from Friday 11 February 2022 until Thursday 31 March 2022. The work order permits demolition and construction work between the hours 8:00am to 5:00pm Saturday and 9:00am to 5:00pm Sunday. Construction hours during the week remain are 7:00am to 6:00pm Monday to Friday,

Work completed on a Sunday is restricted to certain activities to minimise noise and impact to the community. No work will occur on public holidays without prior approval.

The health, safety and well-being of students, staff, neighbours, and Community is our highest priority. Please contact School Infrastructure NSW using the contact details below for any queries relating to this work.

Thank you for your patience while we upgrade Chatswood High School and Chatswood Public School.

For a Translating and Interpreting Service, call 131 450 and ask them to call the Department of Education - School Infrastructure NSW on 1300 482 651.
