

Upgrade to Chatswood Public School

Works notification

December 2021

Dear Community,

We are upgrading Chatswood Public School with new and improved education facilities to support the student community.

Pacific Highway out of hours works

We are writing to inform you that we will be carrying out approved out of hours works on the Pacific Highway near the Chatswood Public School main entrance. The works are taking place out of hours to avoid impacting traffic during peak travel times.

These works will take place from Monday 13 December to Friday 17 December between 9pm and 4am, weather permitting.

The works will involve digging up a section of the footpath south of the pedestrian overpass to connect the new buildings to the Sydney Water mains (see map).

Pedestrian diversions will be in place and one northern lane of the Pacific Highway will be closed while these works are in progress. Traffic control will be in place for the safety of motorists, pedestrians and the community.
