Chatswood Public School and Chatswood High School

Works lookahead | November 2022

Investing in our schools

The NSW Government is investing \$8.6 billion in school infrastructure over the next four years, continuing its program to deliver 160 new and upgraded schools to support communities across NSW. This builds on the more than \$9.1 billion invested in projects delivered since 2017, a program of \$17.7 billion in public education infrastructure.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Next steps – preparing new learning spaces for Day 1, Term 1 2023

During November, the final touches will be made to Building S at the high school and Buildings P1 and P2 at the public school. The project team and principals are working on the plan for the staged relocation of teaching materials and equipment from the temporary classrooms. The relocation will start in the first week of December and be finished by the end of Term 4 ahead of the summer school holidays. Once the temporary classrooms are emptied, many of them will be removed from the high school site. We will send a notification outlining the work to remove the temporary classrooms in the coming weeks.

The planned activity for the month of November is provided for each school overleaf.

During construction, access to buildings and driveways will be maintained at all times. Where temporary footpath changes, car parking removal or lane closures are required for works, traffic control, pedestrian detours, and signage will be in place to assist the community.

Some of this work may be noisy; however, we will take every possible step to minimise noise, such as switching off equipment when not in use and using non-tonal reversing beepers.

Standard construction hours for this project are 7 am to 6 pm Mondays to Fridays, and 8 am to 4 pm, Saturdays. No works will take place on Sundays or public holidays, unless otherwise notified.
