

# Chatswood High School and Chatswood Public School

## Winter school holiday works notification | June 2023

We are upgrading Chatswood Public School and Chatswood High School with new and improved education facilities to support the student community.

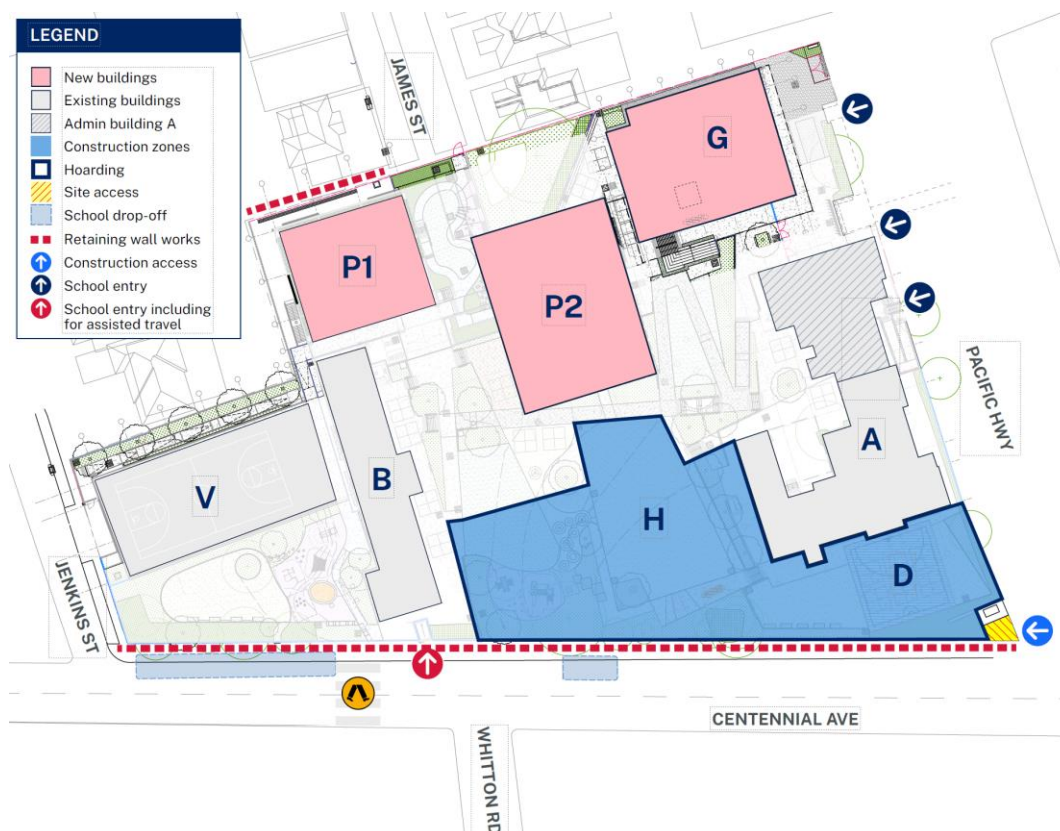

### Winter school holiday works between Monday 3 July and Monday 17 July 2023

#### Chatswood Public School

Most school holiday works at the public school will take place within the school boundary and will have limited impact on the local community. Work to repair the retaining walls will impact footpaths and vehicular access to the southern end of James Street. Details of the retaining wall works has been provided in a separate notification.

Location of work	Description
Buildings P1 and P2	Cleaning of the building facades using a boom lift
Basketball half court	Installation of fencing around the half court behind Building A
Boundary walls	Retaining wall works on boundary walls with Centennial Avenue and James Street (full details provided in separate notification)
