

Chatswood High School and Chatswood Public School

Spring school holidays works notification | 21 September 2023

We are upgrading Chatswood Public School and Chatswood High School with new and improved education facilities to support the student community.

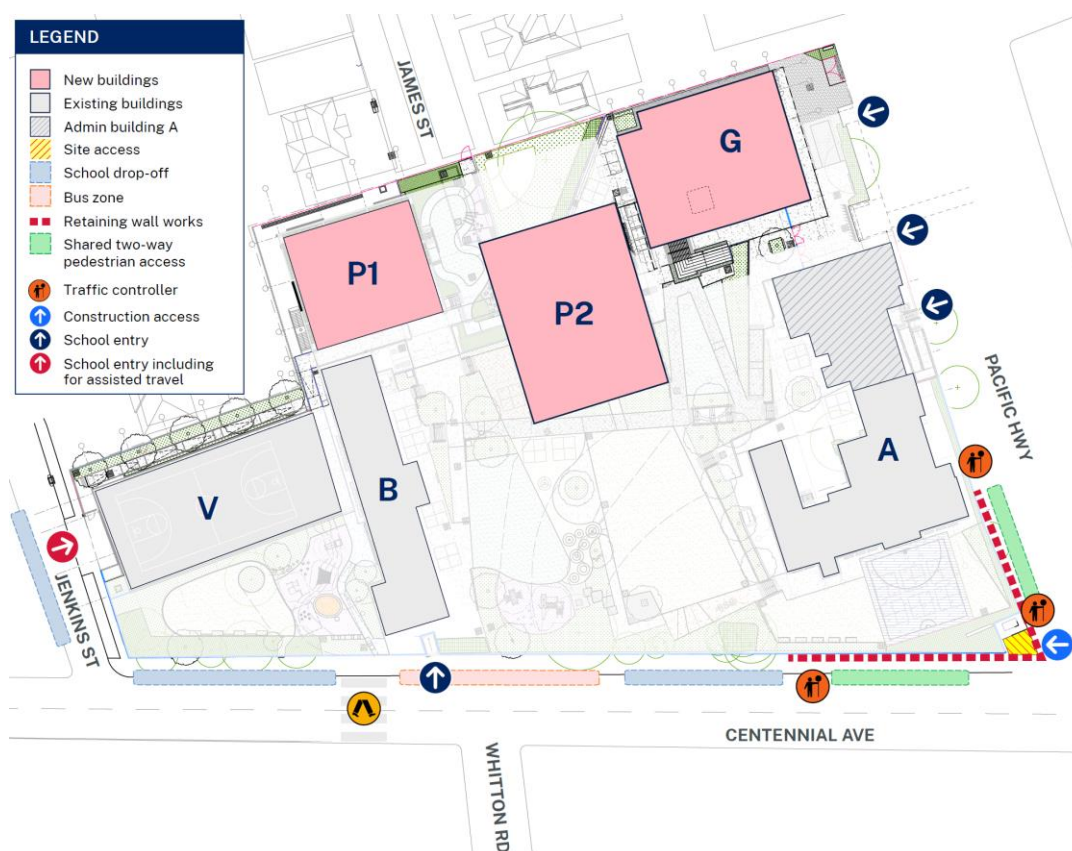

Spring school holiday works between Monday 25 September and Saturday 7 October 2023

Chatswood Public School

Most school holiday works at the public school will take place within the school boundary. Work to repair the retaining walls will impact footpaths at the corner of Centennial Avenue and along Pacific Highway.

Details of the retaining wall works have been provided in a separate notification.

Location of work	Description
Boundary walls along Pacific highway and corner Centennial Avenue	<ul style="list-style-type: none"> Stage two of retaining wall works (full details provided in separate notification)
Building P1 Levels G and LG2	<ul style="list-style-type: none"> Softfall will be repaired on levels G and LG2 in Building P1
Building P2 - Ground floor canteen	<ul style="list-style-type: none"> Removal of tensile mesh in the canteen
School hall (Building G)	<ul style="list-style-type: none"> Concrete honing Install curtain rail in school hall (Building G)
Sports court (Building V)	<ul style="list-style-type: none"> Application of membrane to court surface
Nature play area	<ul style="list-style-type: none"> Install timber walkway and balustrade to sandpit

Chatswood High School

All school holiday works at the high school will take place within the school boundary and will have limited impact on the local community.

The installation of fencing to the sports court will include a temporary worksite impacting the net end of the practice court only. Access to and use of the sports field and sports courts will otherwise remain in place.

Location of work	Description
Buildings H	<ul style="list-style-type: none"> Removal of hoarding for Building H landscaping
School hall (Building T)	<ul style="list-style-type: none"> Install curtain rail in school hall
Building Q	<ul style="list-style-type: none"> Demolition of existing driveway to Building Q and construction of new driveway and surrounding concrete areas Installation of new permanent palisade fencing at lower ground floor
Buildings Q & T	<ul style="list-style-type: none"> Concrete honing
Building R	<ul style="list-style-type: none"> Removal of temporary staff room fit-out, make good and installation of new furniture
