

Aerial view of Chatswood Public School

Chatswood Public School

Upgrade works complete | July 2023

The upgrade has delivered:

Consolidation of the public school to the main campus

Two new buildings housing flexible general learning classrooms

A new school hall, OOSHC facilities and Pacific Highway entrance

Specialist facilities to support inclusive learning including a sensory garden

A new library and new canteen

Full and half sports courts

Covered outdoor learning areas including a rooftop play space (COLAs)

Outdoor amphitheatre, yarning circle, landscaping and play areas

New staff facilities including staff room and car park

Message from the principal

I am thrilled to announce a momentous milestone in our journey of educational excellence: the successful completion of our ambitious building project at Chatswood Public School, which has transformed our school into a hub of state-of-the-art learning and playground spaces.

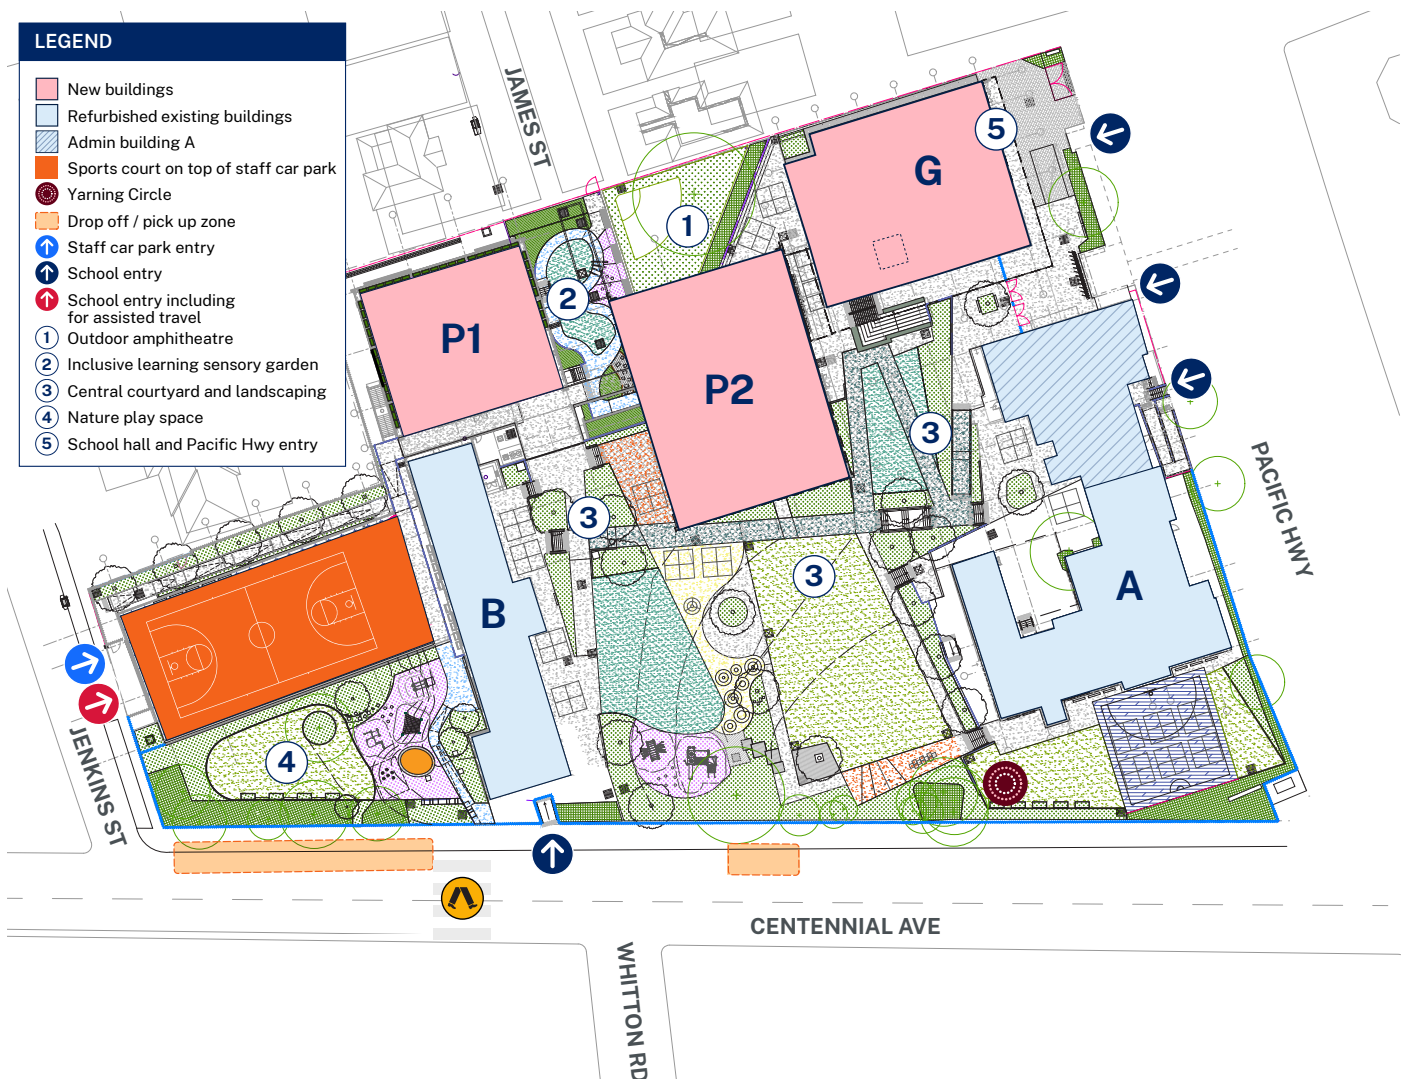

Our learning spaces have been meticulously designed with our students' needs at the forefront. Equipped with cutting-edge technology, interactive tools, and adaptable layouts, these classrooms serve as incubators of knowledge and creativity. Our educators will have the opportunity to explore innovative teaching methods and inspire our students to embark on a journey of intellectual exploration.

In addition to our remarkable learning spaces, we are thrilled to unveil our brand-new, expansive playgrounds and school hall! These areas have been carefully crafted to encourage physical activity, creative play, and a sense of community. Our students will have access to safe and stimulating environments where they can build friendships, learn valuable social skills, and enjoy the sheer joy of being active and playful. I sincerely thank every individual who has been part of this journey who made this project possible. Together, we have created an environment where dreams will soar, and our students will reach heights they never thought possible.

With our state-of-the-art learning spaces and inviting playgrounds, we are stepping into an exciting new era of education at Chatswood Public School. Let us continue to embrace the spirit of collaboration and excellence as we nurture the next generation of leaders, thinkers, and changemakers.

Alex Montgomery, Principal

New school map / upgrade map

New entrance from Pacific Highway and school hall (Building G)

School hall with stage, audio visual equipment, kitchenette and storage

Example of one of many flexible learning classrooms

New library

Inclusive learning classroom

Northern facade of Buildings P1 and P2 (includes view of inclusive learning sensory garden and ground floor COLA)

Half court and yarning circle for play and outdoor learning

Full size sports court with district views

Building P2 rooftop play space with district views

Building P1 ground floor covered outdoor learning area with district views

Nature play space

Amphitheatre for outdoor learning and play space
