

Upgrades to Chatswood Public School and Chatswood High School Complaints Register – updated 21 February 2024

This has been prepared on behalf of the NSW Department of Education (DoE) for Chatswood Public School and Chatswood High School (SSD 9483) to meet the requirements of condition A22: Access to Information (vii) contact details to enquire about the development or to make a complaint; (viii) a complaints register, updated monthly. The below complaints have been received by School Infrastructure NSW.

Date / time of complaint	Date / time of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
26 and 27 January 2024	16 and 21 February 2024	Email	Alarms	SINSW advised that the fire alarm was incorrectly triggered due to a school operations issue, which has been addressed. Hardware issues with the security alarms have been resolved.	Closed	No
4 January 2024	23 January 2024	Email	Alarms	SINSW advised that security and fire alarms had been incorrectly triggered and incorrectly reset. Hardware was replaced and school security procedure was reviewed.	Closed	No
23 December 2023	23 January 2024	Email	Alarms	SINSW advised that security and fire alarms had been incorrectly triggered and incorrectly reset. Hardware was replaced and school security procedure was reviewed.	Closed	No
15 December 2023 5:11pm	20 December 2023 9:00am	Email	Alarms	SINSW's contractor Richard Crookes Construction (RCC) is working with the manufacturer and installer of the fire and security systems to rectify the issue during the summer school holidays.	Open	No
18 August 2023 9:52am	21 August 2023 15:46pm	Email	Traffic management	SINSW advised the traffic controllers were standing in the correct location and had directed the complainant to use the wombat crossing. That direction was disobeyed. Following a review of the Jenkins Street pick up drop off (PUDO) zone the school no longer supports PUDO at Jenkins Street. The principal of the public school	Closed	No

NSW Department of Education – School Infrastructure

				has communicated this directly to the school community.		
10 June 2023 9:11pm	12 June 2023 11:39am	Email	Works required to road surface on Jenkins St following stormwater works.	SINSW requested more detail about the claimed damage to the road. Complainant advised they would provide photographic evidence. To date SINSW has not received the photos. SINSW advised that upon completion of the road works on Jenkins Street the road will be rectified once approval to proceed has been obtained by Willoughby Council	Closed	No
12 June 2023 12:45pm	6 July 16.03pm					
2 May 2023 10:19am	3 May 11:21am 19 May 12:34pm	Email	Perception of insufficient traffic management leading to damage to parked car	SINSW advised there is no requirement for the contractor to provide traffic management on all local roads. The complainant was advised to continue to seek repairs from the subcontractor involved in the incident.	Closed	No
4 April 2023 9:01am	13 April 3:27pm	Email	Construction workers partially blocking driveways	SINSW advised that the contractor regularly communicates with its workers and subcontractors to ensure they are adhering to rules around parking, speed limits, noise, and being generally courteous to local residents.	Closed	No
13 April 4:25pm		Call to SINSW 1300 number				
18 April 9:50am & 10:06am	18 April 10:14am 24 April 12:31pm	Email Email				
3 April 2023 9:59am	1 May 2023 9:20am	Email	Removal of trees and shade from central courtyard at public school	SINSW advised that the project has delivered shaded play space in line with the Educational Facilities and Standards Guidelines (EFSG).	Closed	No
8 March 2023 4:29pm	8 March 5:05pm	Email	Damaged fence	The contractor RCC worked with the property owner to repair the fence.	Closed	No

NSW Department of Education – School Infrastructure

6 March 2023 9:16am	6 March 9:16am	Internal phone call	Injury to student from temporary road signage on Centennial Avenue	SINSW advised the contractor RCC undertook a risk assessment, incident report, immediate make safe, corrective actions. A Safe Work incident has been lodged with no further action following the relocation of the sign to a higher location.	Closed	Yes
1 March 2023 9:56am 8 March 3:24pm	2 March 1:25pm 8 March 2:54pm	Email	Temporary road signage on Centennial Avenue	SINSW advised the contractor RCC moved the sign to a higher position.	Closed	No
16 February 2023 9:58am 20 February 2023 2:04pm & 4:49pm 1 March 2023 9:31am 6 March 10:12am	17 February 2023 9:56am 20 February 1:46pm 1 March 8:59am 6 March 9:33am 13 March 12:46pm	Email	Damage to retaining wall	SINSW advised the contractor RCC does not accept liability for the damage to the wall due to the nature of the works being conducted, the distance of the construction zone from the wall and visible evidence of corrosion behind the pavers. Notwithstanding this, the contractor has agreed to reattach the fallen pavers to the retaining wall as a gesture of goodwill.	Closed	No
6 February 2023 4:41pm (NB Original email sent on 12 January at 8:41 am during school holidays shutdown)	8 February 2023 11:39am	Direct email to the public school	Bark and mulch on footpath	SINSW advised the issue will be resolved when the wall is replaced and new fencing with sleepers across the base is installed on top.	Closed	No
1 February 2023 9:30am 3 February 11:31am	3 February 2023 11:11am 13 February 2:30pm	Direct email to school	Traffic during drop off	SINSW advised that although the major buildings have been handed over, the public school is still under construction. A new construction zone next to the boundary with Centennial Avenue includes a construction loading zone in the road. This allows for the delivery of materials and equipment. Traffic	Closed	No

NSW Department of Education – School Infrastructure

				management is in place to ensure safety and to assist in keeping the traffic flowing.		
24 January 2023 11:21am	24 January 2023 3:57pm	Email	Noise disturbance from out-of-hours use of basketball court at High School	SINSW advised that additional security measures are being installed as part of ongoing works to prevent trespassing. SINSW provided details of the NSW Department of Education's School Security unit and requested that the complainant report trespassing on the basketball court outside of school hours at the time it is happening so the security unit can attend site.	Closed	No
5 February 2023 4:20pm	27 January 4:14pm 10 February 2023 9:58am					
22 January 2023 3:58pm	8 February 2023 1:58pm	Direct email to the schools	Construction workers partially blocking driveways and moving bins	SINSW advised that the contractor regularly communicates with its workers and subcontractors to ensure they are adhering to rules around parking, speed limits, noise, and being generally courteous to local residents. To investigate complaints of this nature, SINSW requested that in the future the complainant contact the SINSW information line as the issue is occurring, so it can investigate if the vehicle relates to construction workers attending the school site or to a local residential construction project.	Closed	No
20 Nov 2022 4:51pm	22 Nov 2022 12:52pm	Email	Burst water pipe	RCC discovered the burst water pipe on site early on 21 November and rectified the issue prior to receiving the feedback from the local resident.	Closed	No
20 Oct 2022 11:10am	20 Oct 2022 5:18 pm	Email	Tower crane location	SINSW advised the tower crane operates within its approved zone with stringent measures to ensure the highest safety standards.	Closed	No
21 Oct 2022 8:08pm	21 Oct 2022 6:11pm	Email				
27 Oct 2022 8:21am	26 Oct 2022 3:27pm	Email				

NSW Department of Education – School Infrastructure

6 Sept 2022 9:30am	12 Sept 2022 10:32am	Call	Worker noise	SINSW advised that RCC will remind all contractors and sub-contractors at toolbox talks to play music at a reasonable level. RCC will monitor noise control measures to ensure SSD compliance.	Closed	No
15 July 2022 1:48pm	20 July 2022 11:48am	Email	Smoking and littering	Project contractor RCC issued a warning to the sub-contractors identified as having littered and has promoted awareness of the issue at pre-work meetings and subcontractor coordination meetings.	Closed	No
6 July 2022 2:22pm	14 July 2022 5:24pm	Email	Traffic and parking within the project design	SINSW provided information as to how traffic and parking considerations were included in the design and approval of the new school.	Closed	No
