

# Chatswood Public School and Chatswood High School

## Improvement Works Notification

December 2019

This is a weekly update to keep you informed about maintenance works at Chatswood Public School and Chatswood High School in the lead up to back to school Day 1, Term 1, 2020.

### Work commencing week 16 December 2019

#### Chatswood Public School

- Work continues on repair to the soft fall area surrounding the kindergarten play equipment, including installation of the new soft fall surface.
- Trucks will continue to move material on and off the site via escort with spotters in place.
- Truck movements will occur during the following hours: 6:30am-7:30am, 9:30am-10:30am, 2:15pm-2:45pm, and 4:00pm-5:30pm.
- Re-installation of playground equipment will begin.
- Block C works will involve removal of a small piece of concrete and re-concreting, installing signage and digging trenches. Digging will be done by hand to reduce noise and minimise impact to students and staff.
- Electrical works on Block C will include mounting electrical boards and relocating cables underground.
- See overleaf for work area map.

#### Chatswood High School

- Preparation for the relocation of the demountables located in the north east corner of the oval will commence. The relocation will create space for the new Building R, as part of the Chatswood High School upgrade.
- Temporary fencing will be assembled around the work area on Monday 16 December.
- Footings for the demountables will begin to be constructed.
- A site shed and amenities will be placed on site for contractor use over the summer break.
- Four trees will be removed near the demountable work area, as approved by Willoughby Council. SINSW is consulting with the community on the removal and replanting of the pine memorial tree.
- Truck movements on and off site will be from Oliver Road outside of school drop off and pick up times.
- Access to the Bush Campus will continue via the Centennial Avenue stairs and Oliver Road.
- See overleaf for work area map.

### Upcoming Activity

#### Chatswood Public School

- Removal of Block C in the coming months, pending Development Application (DA) approval.
- Minor refurbishment of Buildings A and B including painting and flooring.

#### Chatswood High School

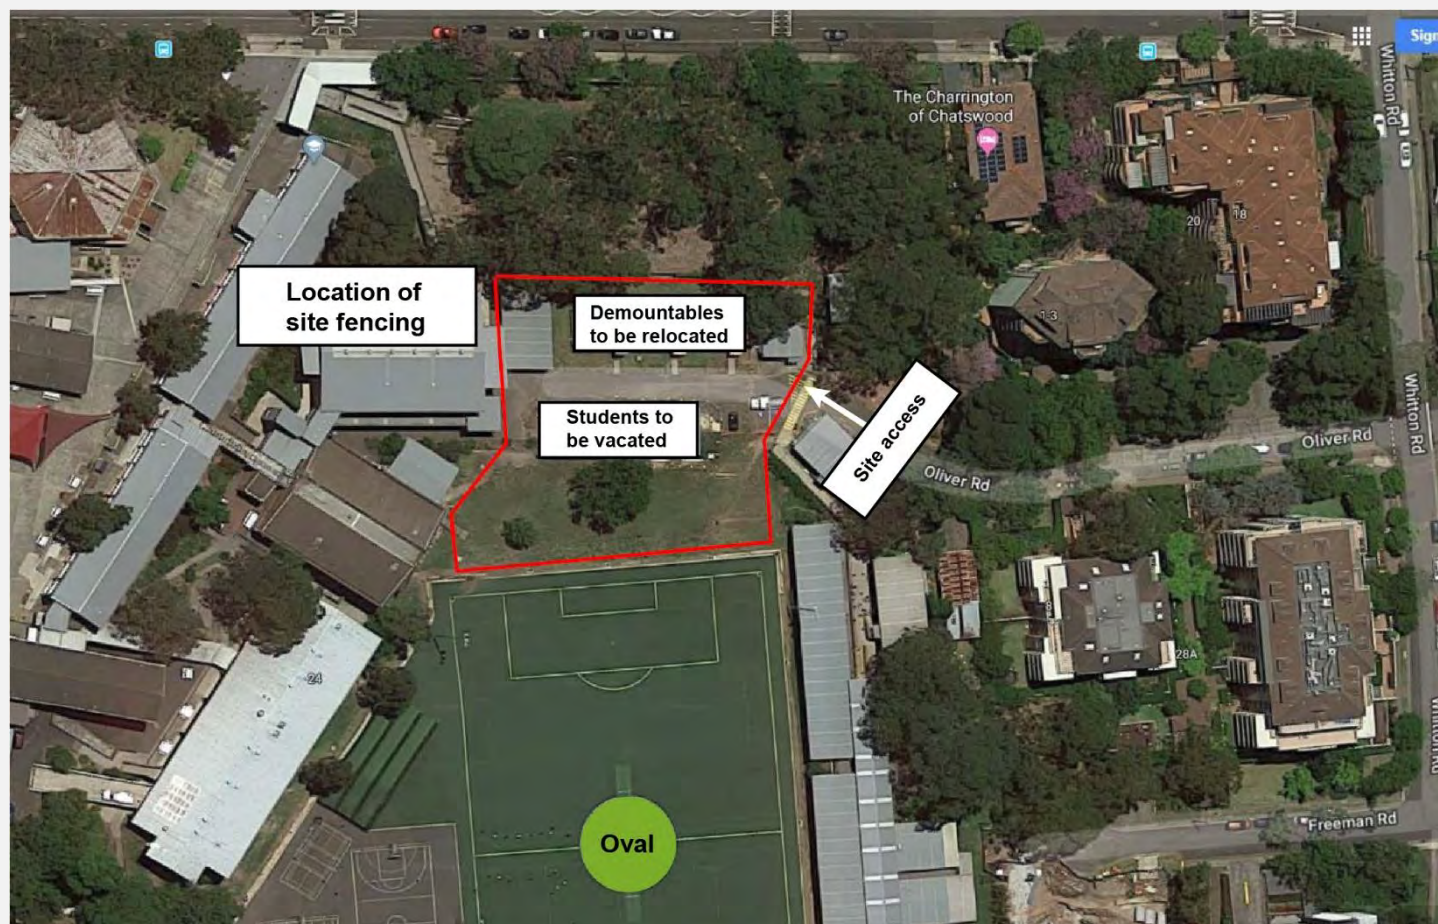

- During the summer break, the existing demountable buildings in the north east corner of Chatswood High School will be relocated closer to the northern end of the oval.

We are here to make sure that work is completed safely and efficiently, while also minimising impacts on the school and community at every opportunity.
