

# Chatswood Public School

## Works notification – November 2019

### Improvement works at Chatswood Public School

This is a weekly update to keep you informed on maintenance works at Chatswood Public School in the lead up to back to school Day 1, Term 1, 2020.

#### Work commencing week 2 December 2019:

- Work continues on repair to the soft fall area surrounding the kindergarten play equipment, including preparation of the site to make a level play space.
- Trucks continue to move material on and off site via escort with spotters in place.
- Truck movement will occur during the following hours: 6:30am-7:30am; 9:30am-10:30am, 2:15pm-2:45pm, 4:00pm-5:30pm.
- Fencing with fabric mesh to be installed around Block C work area zone, to enable preparation for the relocation of the electrical distribution board away from Block C.
- Shortcut pathway behind Block C to be fenced off as part of Block C work area zone – this will not affect access to classrooms or play space.
- A test shutdown of the electrical switchboard will be undertaken at 7:30am on 4 December for 20 minutes. Some electrical service location works will also be completed after the shutdown. Any impacts to school operations will be managed by the school.
- These works will continue during standard construction hours between 7:00am and 5:30pm, Monday to Friday and 8:00am and 1:00pm, Saturday. Tradespersons will visit the school on Sundays as required.
- A site layout map is provided overleaf, showing the location of the work area for the soft fall repairs, access points and Block C works.

#### Upcoming Activity:

- Trucks will continue to move material on and off site via escort with spotters in place during the agreed hours.
- New soft fall material to be installed in the kindergarten play ground.
- Relocation of the electrical distribution board away from Block C to occur in December to prepare for the removal of Block C.
- Removal of Block C in the coming months, pending DA approval (DA lodged with Willoughby Council on 8 November 2019 and on exhibition until 11 December 2019).

We are here to make sure that work is completed safely and efficiently, while also minimising impacts on the school and community at every opportunity.
