

Chatswood Public School

Intake area changes

March 2021

Why is the Chatswood Public School intake area being changed?

As communities constantly grow and change the NSW Department of Education reviews intake areas to ensure they continue to meet the needs of the local community.

A new school intake area for Lindfield Learning Village has recently been determined by the NSW Department of Education. The population in the Chatswood Public School intake area has been growing at a fast rate and this growth is projected to continue. Adjusting the intake area boundary between Chatswood Public School and Lindfield Learning Village will help to balance future enrolments in the demographic area.

How were the new intake areas determined?

The process was informed by demographic advice about projected enrolments in the Chatswood and Lindfield areas and in consultation with local primary and secondary school Principals.

The new catchment areas can be found on the map overleaf and on the School Finder website at schoolfinder.education.nsw.gov.au

When will the change take place?

The intake area adjustment will apply for all new enrolments for K-6 for 2022.

For more details on enrolment, please visit the school's website at chatswood-p.schools.nsw.gov.au and select the enrolment tab.

What if I now live in the Lindfield Learning Village intake area but I want to enrol my child in our previous in-area or other school?

The standard process will apply for requests for out-of-area enrolments in accordance with the department's enrolment policy. Please contact the Principal of the school where you are seeking enrolment for further information.

I have a child already attending Chatswood Public School, can they stay there if I am now in the Lindfield Learning Village intake area?

Yes they can. There is no change for students already attending Chatswood Public School. They can complete their education to Year 6 at Chatswood Public School.

I have a child already attending Chatswood Public School, can they move schools to Lindfield Learning Village if we live in the new Lindfield Learning Village intake area?

Yes they can. If you live in the Lindfield Learning Village intake area they will be accepted at Lindfield Learning Village.

What happens if I currently have a child enrolled in my previous in-area school and I want to enrol their sibling in the same school, which is now deemed out-of-area?

Families living in the area affected by the change who have a child/children already enrolled at a different school are able to stay at that school. They are also able to enrol other siblings.

Where can I find out more information about this change?

Further information on the intake area change is available on the School Finder website at schoolfinder.education.nsw.gov.au. Look for the red alert message for updated information as well as the link to the new 2022 intake areas.
