

Upgrades to Chatswood Public School and Chatswood High School

Works notification | 31 May 2023

We are upgrading Chatswood Public School and Chatswood High School with new and improved education facilities to support the student community.

Construction of retaining wall on Jenkins Street - Chatswood Public School

Between Thursday 1 June and Thursday 8 June 2023, a brick retaining wall will be built at the Chatswood Public School on Jenkins Street. The work will include a footpath closure between the hours of 7am and 5pm (see map).

Traffic controllers will be in place to direct pedestrians to the footpath detour on the other side of Jenkins Street up to and from Centennial Avenue. Access to driveways along Jenkins Street will not be affected during this work.

We appreciate the patience of the community, particularly around drop off and pick up times, as we work to finish the construction.
