Subject: RE: Request for Information - CR22-587456

Good Morning Renee,

The original school was built somewhere between 1955 and 1961 however Council does not hold a lot of documents prior to 1968 therefore we do not have the original consent for the school.

Regards,

Jacqueline

Hi Jacqueline,

Thank you for sending those files through.

Unfortunately, the original consent for the school that I was searching for was not included, so I was wondering if you would be able to provide a list of all recorded consents on file at Council to confirm? It may be that Council simply do not have the original consent however, if possible, it would be great if that could be confirmed.

Kind regards,

Renee Stavroulakis
