

# Croydon Public School

## Welcome pack

New covered outdoor learning area (COLA) and walkway at Croydon Public School

## Welcome to your new learning spaces

The Croydon Public School upgrade is now finished and the new learning spaces are ready to use. The upgrade has delivered:

A new building with **18** learning spaces

Heritage building upgrade

Library and special programs building upgrade

A new canteen

A hall upgrade

Covered outdoor learning area (COLA) and walkway area

New landscaping and outdoor spaces

Thank you for your patience during construction. We are delighted to have delivered this project for the Croydon Public School community and hope you enjoy your new spaces.

# Message from your Principal

We are excited about the next chapter in our school history with the completion of the upgrade of our school.

We are proud of the modern facilities we now have for our students that enable flexible, technology-rich, knowledge-building learning. It will serve us well as we continue our focus on delivering excellence, innovation, opportunity and success for our students.

As a dynamic school community, we are committed to delivering quality learning experiences in a nurturing environment, where all students, and teachers, have the opportunity to fulfil their potential. Our teaching and support staff are excited about the potential of the new learning spaces for their students.

I'd like to thank our community – students, staff, parents and local residents for their patience during construction.

I am sure you'll be as pleased as we are with the outcome.

**Cathy Lucantonio**  
Principal

## Site plan

# Flexible learning environments

---

This exciting project has delivered new learning environments for the next generation of young minds. The new learning environments offer flexibility where teachers can provide more opportunities for student engagement. The learning spaces:

- are adaptable to accommodate small or large groups
- provide accessibility to new technology in a variety of settings
- encourage a personalised learning experience so students learn at their own level and pace.

New flexible learning space

# Upgraded facilities

---

Existing buildings have been upgraded to provide new and improved facilities for students and staff.

Upgraded library

Upgraded school hall

## Enhanced outdoor spaces

Enhanced outdoor spaces offer new areas for outdoor learning and play to challenge and inspire students. Walkways throughout the school have been upgraded to ensure accessibility for the entire school community.

The new Town Square outdoor area

New outdoor play area

## Frequently asked question

### What works are still to be finished?

Minor delays as a result of weather and Covid-19 mean the following works will be finished in Term 1:

- replacing the AstroTurf surface on the old sports court
- landscaping the area where demountables were located.

We will continue to work with the principal to minimise disruption to school operations.
